AUGUST 18, 2016

**BELMONT SHORE PARKING AND BUSINESS IMPROVEMENT AREA ADVISORY COMMISSION MEMBERS**  
City of Long Beach  
California

**REFERENCE: 16-044BS**

**SUBJECT:** Recommendation to approve purchase and installation of cigarette ashtrays to be attached to existing Big Belly trash compactors at a cost of \$190.75 each.

---

## DISCUSSION

Consistent with replacement of the cement trash receptacles with Big Belly trash compactors, replacing the cement cigarette ash cans with ashtrays installed in the Big Belly trash compactors could also contribute to simplifying maintenance of the 2<sup>nd</sup> Street business district. In addition, removal of the cement ash cans would eliminate some of the sidewalk clutter.

Waxie Sanitary Supply is the sole source vendor for the recent purchase of an additional 53 Big Belly trash compactors. Waxie's cost proposal for purchase and installation of each ashtray is \$175 plus \$15.75 sales tax. Once the additional 53 Big Belly trash compactors are installed, the number of Big Belly's on 2<sup>nd</sup> Street, including the existing 23, will total 76 units.

## RECOMMENDATION

Approve recommendation.
