**SUBJECT:** Recommendation to approve expenditure not to exceed \$3,000 to repair and reconstruct a wall located near the alley located on Covina Avenue, as well as install a protective bollard, and cement the area immediately adjacent to the wall.

---

## DISCUSSION

The short wall at the northeast corner of the parking lot located behind Peet's Coffee has been damaged, and is in need of repair. It appears that repeated contact from motor vehicles is the cause of this damage.

The area contiguous to the wall along Covina Avenue is unirrigated dirt, and it is recommended that this patch be cemented. In addition, it is recommended that a bollard be installed in the northeast corner of the lot so as to prevent further damage to that section of the wall.

## RECOMMENDATION

Approve recommendation.
