SUBJECT: Recommendation to receive and file a follow-up presentation from Walker Parking Consultants regarding their findings for the 2016 Belmont Shore Parking Study.

DISCUSSION

At the October 20, 2015 meeting the City Council awarded a contract to Walker Parking Consultants, of Los Angeles, CA, in an amount not to exceed \$100,000 to conduct a parking study in Belmont Shore for a period of two years. The amended motion eliminated the Christmas Parade from the study, and City staff estimated that the study would be completed within one year. The next step will be to develop an implementation plan after obtaining feedback from the community.

Representatives from Walk Parking Consultants provided a presentation at the November 17, 2016 Commission meeting. This presentation is a follow-up to address questions and concerns expressed by the commissioners at the November meeting.
