**Narrative**

I (Officer J Flores #10007) am a Police Officer in the City of Long Beach assigned to the West Division as a Patrol Resource Officer. I am specifically tasked with impacting Community Oriented Public Safety "COPS" locations.

COPS locations are typically long-term problem locations, which may require other city resources in order to eradicate long-term problems.

**LOCATION : 710 W. Willow Avenue (Miko's bar)**

710 W. Willow Avenue has had several different names and owners; however it has always been a bar. The bar is currently named "Miko's bar". The current owner of the bar and the ABC license holder is (DedeYancy/Enald'sWay).

Miko's bar has been identified as a possible problem location by the local residents in the area, specifically several who reside on the 2500 block of Main Ave. Under the Long Beach Police Department's COPS philosophy, this location is a COPS location.

**PROBLEM**

Some of the allegations being alleged by the residents are loitering behind the bar, public intoxication, loud music being emitted from the bar and vehicles, defecating, urinating, drinking in public and marijuana use. There has been an uptick of calls for service to the bar and the parking lot. The direct parking lot for the bar goers is just south of the bar, directly behind it, as well as off street parking.

**HISTORY**

This location was first brought to our attention on 02/21/2014 and was referred to both business licensing and nuisance abatement.

This location resurfaced again on 05/22/2015, when Celina Luna, Chief of Staff to Council Member Robert Uranga, notified Lt. Michael Lewis of the issues that were brought to their attention.

Using department resources, I ran Calls For Service "CFS" for Miko's and they were as follows: From 01/01/2014-12/31/2014 CFS 133 year to date and CFS for 2015 are 73.

**NEIGHBOR ISSUES**

The problems at Miko's bar are heightened by the fact there is a residence right across the alley where the parking lot is located. The south facing rear emergency exit door is allegedly being used as an access point. Every time the door is opened the bar noise/music can be heard by the residents in the neighborhood, causing them to call the police, and creating a CFS. The residents on Maine Avenue have called the police numerous times regarding the loud, vulgar behavior by bar goers. The residents are concerned that the bar owner does not care about the peace and quiet of the neighborhood. They also believe that whenever the police are called, the security guard usher's everyone inside. For this same reason, they believe the bar employees may be listening to a scanner, therefore putting them on notice when the police are on their way to the bar.

The residents feel that the City is not doing anything to assist them with their problems, especially since they've been complaining for over a year and a half and nothing is being done.

**SARA MODEL**

The SARA model is a commonly used problem solving method in the COPS philosophy. It was used on this location to identify and resolve the issues. SARA stands for Scanning, Analyze, Response, and Assess.

**LONG BEACH POLICE DEPARTMENT****Narrative****SCAN:**

On June 15, 2015 a meeting was held at the Long Beach Police Department, West Division with the residents of the 2500 block of Maine Avenue. Commander Smith, Lt. Lewis and Jose Vazquez attended the meeting. The purpose of the meeting was to listen to the resident's concerns regarding Miko's.

**ANALYSE:**

After the meeting, Police Department staff met internally to decide on a course of action to take in order to determine whether the allegations being made were actually taking place or being exaggerated. Sgt. Kenneth Green who was present at the meeting and was tasked with placing a premise history on the location for a silent dispatch, just in case the bar personnel did have a police scanner and were monitoring the calls.

On September 24, 2015 we had a second meeting with the residents in order to communicate with the residents how they can help us, help them.

City representatives,

We live on the 2500 block of Maine Ave. in Long Beach. We are very concerned about the on going nuisance behaviors and activities coming from Miko's Sports Lounge and its patrons.

We are sending several audio emails to you that document the most recent disturbances generated from the bar and its patrons. The Long Beach City Council voted to deny Mikos Sports Lounges application for a permanent Entertainment Permit, with dancing, 7 days a week, at the council hearing on March 17th, 2015.

At the hearing several council members encouraged the owner of the bar to build a better relationship with her neighbors. Unfortunately there has been an upturn in the disturbance activity since the hearing.

We believe the audio recordings are part of the documentation that the peaceful enjoyment of our long established family neighborhood continues to be impacted due to Miko's Sports Lounge.

Thank you,

Maine Avenue Neighborhood Group

To all concerned-

As a continuing reflection of the deterioration of our Wrigley neighborhood, we found human feces in the alley behind our house when we took out our trash last night. Someone has been defecating there with regularity for the last week., as this was not present when we took our trash our last week. We live off the alley that runs next to B of A.

I have heard that the new Real Estate team that went into the lovely renovated building on Willow and Daisy has been disturbed by the homeless camping behind their building. I assume these are the people who are using the alley as a toilet.

Between urination from Mikos bar patrons and defecation from the homeless, this neighborhood is really getting to be a health hazard. HELP!

Please let me know what I can do. Thank You.

**LONG BEACH POLICE DEPARTMENT****Narrative**

Lets not forget that Friday night, 20th, I went out side around 10:15pm because of the very loud voices coming from across the street. It was a couple of Miko's bar patrons. Looked like one of the ladies was squatting behind the car at the curbside by your house. Eventually she got in the car and they drove off. Next morning I observed human feces and used tissue paper at the location where the woman was squatting the night before.

We have witnessed many bar patrons urinating in public, now defecation. Why did the lady not relieve herself at the bar before leaving Miko's? The bar patrons using our properties and the street to relieve themselves is offensive and a health issue.

Mr. Mallery,

We are the Maine ave. Neighborhood group. We are sending you an announcement regarding a scheduled live entertainment event at Miko's Sports Lounge tonight. The posting states that Patrick Fowler, who is a comedian, will be performing LOL Fridays at 9:00pm.

Per your phone contact with Tonette this morning, you have said that there is no permit for this event and that you would forward the announcement to the police department. You noted that we could call PD tonight and they could enter the bar to observe if the live entertainment takes place.

You also informed Tonette that the PD recommended approval for live entertainment at Miko's on May 29th and 30th for a DJ and that the permit has been issued by your department. We are disappointed that once again based on the past year and a half of disturbances coming from Miko's, they are being rewarded for bad behavior.

We appreciate the time and attention your office and other city departments have spent related to the on going problems that the city and our neighborhood have experienced due to Miko's Sports Lounge.

Thank you,

Mr. Smith, Lewis, Vazquez & Flores

I'm writing this email to share my PERSONAL feelings and views of this weekend living next to this NIGHTCLUB Miko's Bar with another 3 DAYS TEMPORARY ENTERTAINMENT PERMIT.

DeDe's Bar owner and business partners actions, decisions and greed, ARE COMPROMISING THE SAFETY OF MY FAMILY'S LIFE, MYSELF AND OUR PROPERTY.

I URGE YOU, IMPLORE YOU NOT TO ISSUE ANYMORE ENTERTAINMENT PERMITS TILL YOU FULLY INVESTIGATE AND UNDERSTAND WHAT YOU'RE PUTTING US THROUGH.

A tragedy can still be avoided. Saturday night was a terrifying experience. I'm still shaken with different emotions: SCARED, UPSET, DISBELIEF, HOPELESS BUT MOST OF ALL LET DOWN.

I hope that you get to read this entire email so you can understand how I feel please excuse my misspelling.

THURSDAY OCTOBER 1st

Was a very "normal" night, low bar patrons traffic some of them arrived and leave blasting their car radio sound system, loud foul language, drinking out of their cars parked behind the bar parking lot and on Maine st. Loitering in the alley and around my house, loud laughter, our house front sidewalk is the people's spot to talk on their phone or to walk back and forth due to their consumption of alcohol and/or drugs the most frustrating part is that the bar management/staff not only they allow this behavior but lots of time are part of it with their private events.

FRIDAY OCTOBER 2nd

Mr. Daniel Phillips from the health department was here in my house from 9:30pm till 2:00am to collect the bar noise decimal levels UNFORTUNATELY for me and my family Friday was not the NIGHTCLUB NIGHT he got to

absorb only the "normal" bar night incidents which includes someone URINATING in my front yard and ME asking them to urinate somewhere else while the rest of the loitering patrons threaten me to kick my ass and AGAIN like a little wimp I went back inside my house upset embarrass not feeling very proud of myself for my inability to protect my house without jeopardizing my family's safety. Again I'm very sad that the bar did not have a DJ or entertainment this night so Mr Phillips could have witness our loud bass music misery coming out of the bar that keeps MY FAMILY away every other weekend from our house. WE HAVE A LOT OF SLEEPOVERS WITH DIFFERENT FAMILY MEMBERS IN THEIR LIVING ROOM not only so my WIFE AND KIDS can get some sleep but to KEEP THEM SAFE.

SATURDAY OCTOBER 3rd

Hell broke loose this Saturday ( bass noise coming out of the bar was bad) First of all we stayed behind in our house for the weekend because Mr Phillips was coming this weekend. we decided to have my sister-in-law's first baby shower Saturday from 6:00pm to 10:00pm in our house backyard. (Mostly family and few friends. 90% women)

Between lots of food and lots of games lots of gifts to open everyone having a good time the celebration went on longer than expected. Our house doors are closed front and back the bar patrons started to arrive, noise and commotion outside was normal for us, most of our family knows what we're going through with this bar but we apologize to those who didn't know about our situation and assure them that other than noise they don't have to worry about nothing. (" BOY WAS I WRONG". )

My wife came inside the house late at night all scared telling me that someone pounded in our concrete backyard wall cursing as you can imagine all the girls are frightening at this point. A car had their sound system blasted I couldn't understand what the argument was about I went cautiously outside through my house backdoor to take a peak. I noticed one the bar security guard ( I know him as Vinnys nephew ) talking and finger pointing towards my house to a bunch of agitated crowd. Well out of nowhere the F word was dropped on me on many different ways like theirs no tomorrow. Including "I'm going to blast this fucking bitch right now" by this bar patron while others trying to calm him and two other very agitated guys down I get on my phone and I called PD right away I didn't see a gun or anything on them but I give the description of the car and license plate to the dispatch just in case. The security guard walked towards me while I'm still on the phone with PD I warn him to get that F back but keeps coming and stops right where the alleyway ends and my property starts. Then he says I'm trying to help you out dumbass. At that time I didn't know what was going on meanwhile I still have the pd dispatch on the phone I'm trying to give them more description and information while I'm cursing the security guard to get that F out of my face at that point he started take fighting posed and told to make him back off the dispatch told me to go back inside and lock my door that officers were in their way. Call #1652. around 11:30pm the crowd agitators left right before your responding officers arrived. Two officers came to my house I told them what happened then walked over to talk to the security guard then they came back to tell me that he was told not to approach or talked to me anymore. As soon as the police left two ladies asked me if they can talk to me they were walking in my front sidewalk.

They heard everything and felt bad for me they said.

"They (meaning the security staff) were telling the patrons to lower their car radio because this asshole ( meaning me) was going to call the police. " we have no problem ourselves if you want to hangout for while but just watch out for this guy. The ladies went on saying that that's wrong for throwing me under the bus. that this guys were already upset because they didn't let them inside the bar and started pounding in my wall out of frustration saying "come out motherfucker" f snitch and other things like that. So when I went outside to investigate the wall pounding I had already a big target in my forehead. I don't know if the guard (vinnys nephew) was the one throwing me under the bus or he really was trying to protect me.one thing is for sure I have no idea why they have to use me as an excuse when they can't control their crowd. Two of your units were on willow with the speakers "dispersing" the crowd in front of the bar. I THINK THEY USE A THIRD PARTY PROMOTER AGAIN to advertise this Saturday's event which in two other occasions has resulted in massive uncontrollable crowds that get refuse or rejected by the bar and they stayed around the bar front in rear and around our the street to drink out of their car and looked for trouble in our street.

A FORMER CLEANING GUY WAS PROMOTED TO A SECURITY GUARD RECENTLY (good for him) but the lack of proper training put us and them also in danger when things escalate like Saturday night. I DON'T THINK THE PAPERWORK FOR SECURITY COMPANY GIVEN TO THE CITY IS THE ONE PROVIDING THE

SERVICE.

I'm sure my neighbors have call logs and video for you guys about this weekend.

PLEASE PLEASE PLEASE PLEASE

GIVE ME THE BENEFIT OF THE DOUBT

Miko's bar DOES NOT OWNED the building or the liquor license

DeDe and partners ARE MONTH TO MONTH TENANT that have a day job on their own

That business was just a gateway stress reliever. " a place so me and my friends can have fun" DeDes own words. (Asked your officers that have approach her how she's drinking most of the time) while she makes decisions that put his staff and my family in danger.

THEY HAVE VERY LITTLE TO LOSE that's why they're so careless when they get THE TEMPORARY

ENTERTAINMENT PERMIT the hire outside uncrupuless promotes to make a quick buck

They bring all kind of people outside of long beach witch includes gang members without thinking of the harm they're putting us through.

Your attention to this matter is appreciated.

Miko's had a busy Friday night.

My husband had to drive up the curb to get his car in our driveway because someone's car was blocking it. He called the PD-12:11am Saturday 10/16-He reported that with the license plate number, but by this time a woman was sitting in the car. At the same time he reported lots of loud people loitering out front and in the parking lot of Miko's.

As far as I know there was not an OEP. I don't know if they had any entertainment. Perhaps the officers who followed up the call checked inside to see what was going on?

Anyway, my car was parked in the street and the next morning I woke up to this(see pic below) in front of my car. HUMAN FECES! Disgusting! Now I can't prove this was a Miko's patron, but I do think it is coincidental that we find this kind of thing only after an event at Miko's, during which my husband called PD about a person blocking our driveway....

Mr. Mallory and city representatives,

Can you confirm whether (1.) Mikos Sports Lounge, 710 W. Willow st., has been approved for an OEP for the weekend of October 31st, 2015?

Attached are 2 social media flyers that announce a "Monster Ball" event at that location on Halloween, October 31st. Thus far there are nearly 2000 guests invited on the 2 sites alone. As you know, the bar is located in a residential area.

Activities include entertainment and dancing according to the announcements on [Heyevent.com](http://Heyevent.com) <<http://Heyevent.com>> and Chuckie Millers face book page, ("host Chuckie Miller Entertainment"). The event postings also state that the party starts at 9:00pm and ends at 2:00am.

It is our understanding from speaking with you and other Long Beach city representatives that when the bar has an OEP it must start at 6:00pm and end at 10:00pm. Further, the permitted event must state whether dancing is part of the activities and entertainment must be clearly described.

Respectfully, we are asking you to be proactive; (2). review the attached flyers to determine that the stated

activities are in accord with the information provided in the OEP application, if filed. If they are not, (3). what is the appropriate action your department takes in these situations?

We are also asking that all city representatives included in this email, that are part of the OEP process, (4). review the OEP application (if currently on file) and check it for accuracy, (i.e. adequate security coverage, is security company registered with Long Beach, do OEP's require that the promoter and event entertainers file appropriate paperwork with the city; if so, have they, etc).

Lastly, (5). we strongly urge you and all city representatives included in this email who are involved in the OEP process; to rescind the OEP. The bars' events, permitted or not, have had a negative impact on our residential community. Please stop rewarding Mikos bad behavior.

Best regards

On 11/13/15, Ricky Oropeza sent an email to Commander Smith and I regarding a disturbance he had received:

Commander Smith and officer Flores,

Mikos bar continuous disturbing our home peace, I'm very frustrated. My daughter Thayz was very upset this morning she couldn't get enough sleep AGAIN because she was awaken by bar patrons coming out of the way beyond the permitted business hours.

We have video of bar patrons leaving the bar intoxicated through the back door till 3:20am of this morning and as you know they don't go home quietly including DeDe the bar owner.

I'm respectfully asking for a report complaint against the bar directly.

Just to give you a picture of how my daughter's day went on yesterday Thursday 11/12/15

Thayz (16) attended her normal classes hours at Millikan High School @ 1:40pm she had training with the school soccer team till 3:00 then she had training @ 4:00 with Fram club soccer till 6:00

Came home took a shower had dinner then do homework till around 10:00pm shortly after she went to sleep only to be awakened around 2:30am by loud bar patrons my wife said that they went back to sleep around 4:00am she woke up at 6:00am to take a shower and get ready to go to school this morning.

My daughter is straight A student that includes 3 AP classes she works very hard everyday. IS THIS FAIR?

Please let me know how to proceed

Thank you an advanced

## Narrative

Per Commander Smith this email from the Complaining Party is being added to continue the documentation of the COPS DR.

Mr. Smith,

(This email is intended for your eyes only)

I hope you had a nice vacation. I'm very sorry I have to bother you in your first day back but I'm very desperate. I been staying away from my house every weekend as you know not only because our peace and our sleep is disturb by mikos bar but to protect my family from fault language and inappropriate bar patron behavior as well of me losing my head trying to protect them.

I'm very frustrated, I know to stayed away from the bar on weekends nights at least I thought I knew. But IM SO WRONG, we just came back home Sunday at 4:30pm

Our neighbor save a package left in our porch on Friday for something my daughter Thayz purchase online. Shortly after we got home my daughter was going to go 3 doors down to go get the package but as she open our front door unfortunately she got to see a bar patron urinating right across the alley on the side of my house. She came right back inside and told me. I went outside and the patron was getting something out of his car then went inside the bar from the back door. I took a cellphone picture of his license plate. I have everything on our camera system.I did not called the police. THIS IS NOT THE FIRST TIME IT HAPPENS ( the last time I reported this to the nuisances city department nothing was done)

I don't called your department much anymore because even when they get patrons in what it looks to me a clear violation ether from disturbing the peace, or playing loud music at 1:00am out there car.THEY DO NOTHING. I have footage to for you to see that may help you to prepare your responding officers on how to deal with the problems created by this bar (to your expectations as a commander) same violations happen over and over again.

On Saturday night around 11:30 patrons were drinking on their car parked behind the bar your police cruiser just pass slowly by without even asking to go inside the bar shortly after two women urinating in my front yard (it's on video) last weekend on Saturday night/ Sunday morning from 1:00am to 2:00am our street and alley was turned into a party zone drinking, smoking, yelling and of course loud music in till your police cruiser came around 1:50am to "ONLY DISPERSE" the crowd no citations no nothing was giving they didn't even got out of their squad car. (I have it on video) they had to come back 5 minutes later to disperse again so I DON'T UNDERSTAND.

I have faith and believe in our system please tell me what I'm doing wrong or not doing to better help you keep our beloved home and neighborhood clean family friendly.

Thank you

**EMAIL**

On 12/08/15 Commander Smith received the following email from the Maine Avenue Community group:

Commander Smith,

On November 30th, our neighborhood filed a complaint with the Alcohol Beverage Control Board, 3950 Paramount Blvd, suite 250, Lakewood, (562) 982-1337, regarding Mikos Sports Lounge. Enforcement Supervisor, Brandi Richards has been assigned the case.

As you know, we have worked with many Long Beach city departments for these 2 years with our goal that the bar should comply with basic city ordinances and become a good business neighbor to the residential neighborhood in which it resides. It has not.

We want you to know that we appreciate the time and attention that your department has given to this on going problem created by the bar.

Best Regards,

Maine Ave. Neighborhood Group

**EMAIL #1 12/27/15:**

Dear Commander Smith,

It was a very disturbing morning. The gunshots and the lady screaming was chilling. People were running out of Mikos when the shooting started. Was the shooting related to Mikos? Please share what you can and keep us updated. I do not feel safe in my own home at night and Rickey is questioning whether he should ever return to his home.

FYI Heredias [REDACTED] just installed outside security

cameras and the owner of [REDACTED] has cameras on the front and back of his building. If you would like audio of the event we have it. Good luck and I pray the gunshot victim recovers fully.

**EMAIL #2 12/27/15**

Hi Augusta,

I'm aware of the shooting and our detectives are investigating every lead available. I appreciate the information on the new cameras and will pass along the information.

As we've discussed in our meetings, my team will continue to work on your neighborhood concern(s) as they relate to Miko's. Any existing or new information will be utilized in those efforts.

## EMAIL 12/29/15

Dear City Attorney Parkins. I enjoyed meeting you and your wife at the Uranga's Christmas party earlier this month and appreciate all that you do for Long Beach. I now have a serious problem and am hoping you can help.

I am writing to ask you to rescind the upcoming OEP for the bar at the end of my block (Mikos Bar on Willow at Maine) that has become increasingly problematic over the past 18 months, causing regular disturbances. There have been innumerable complaints made to the police, the city and others over the months and our City Councilmember, Roberto Uranga, has been extremely helpful including voting against a permanent entertainment permit back in March 2015. The owner of the bar and the property owner have not been responsive to our requests for additional security to keep patrons from drinking outside, defacating, being loud and roudy, threatening neighbors, and creating a nuisance. &nb sp;

This past weekend there was a shooting that began with an argument inside the bar and ended with a woman being shot in the head outside in the alley. She remains in the hospital in critical condition. There were at least 4 shots, beginning at 12:33 am followed by screaming and much chaos. There were 3 men yelling in front of my house at about 1:05 am, then they quickly got into cars parked in front of my house and sped off. My family visiting for the holidays were frightened, I was extremely scared, we were up most of the rest of the night wondering if some bad guy with a gun was hiding in our back yard or some other nearby area. The homeowners contiguous to the bar have a video camera up and have many, many photos and videos of illegal activity in the alley outside the bar. They have shared that information with the police.

These are not neighborly patrons nor a neighborly business owner of what is a family neighborhood. Please help us by rescinding the OEP for this coming weekend so that we can have some peace in our otherwise very

**In light of the Mikos Sports Lounge related shooting on 12-27-15 and two years of constant disruptive and illegal activities coming from the bar we are requesting that Chief Luna require the owner of Mikos to do the following (below) or deny the business license renewal for running a disorderly house.**

1. The owner must hire licensed and bonded security guards wearing identifiable clothing stationed in the parking lot and front door from 9pm until after ALL customers have left the area.
2. Install adequate security lighting in the areas behind the bar used by patrons for parking.
3. Install cameras in the front and back of the building and hook them up to PDs system.
4. Strict enforcement of the June 1995 CUP requirement that there be no loitering in the parking lot.

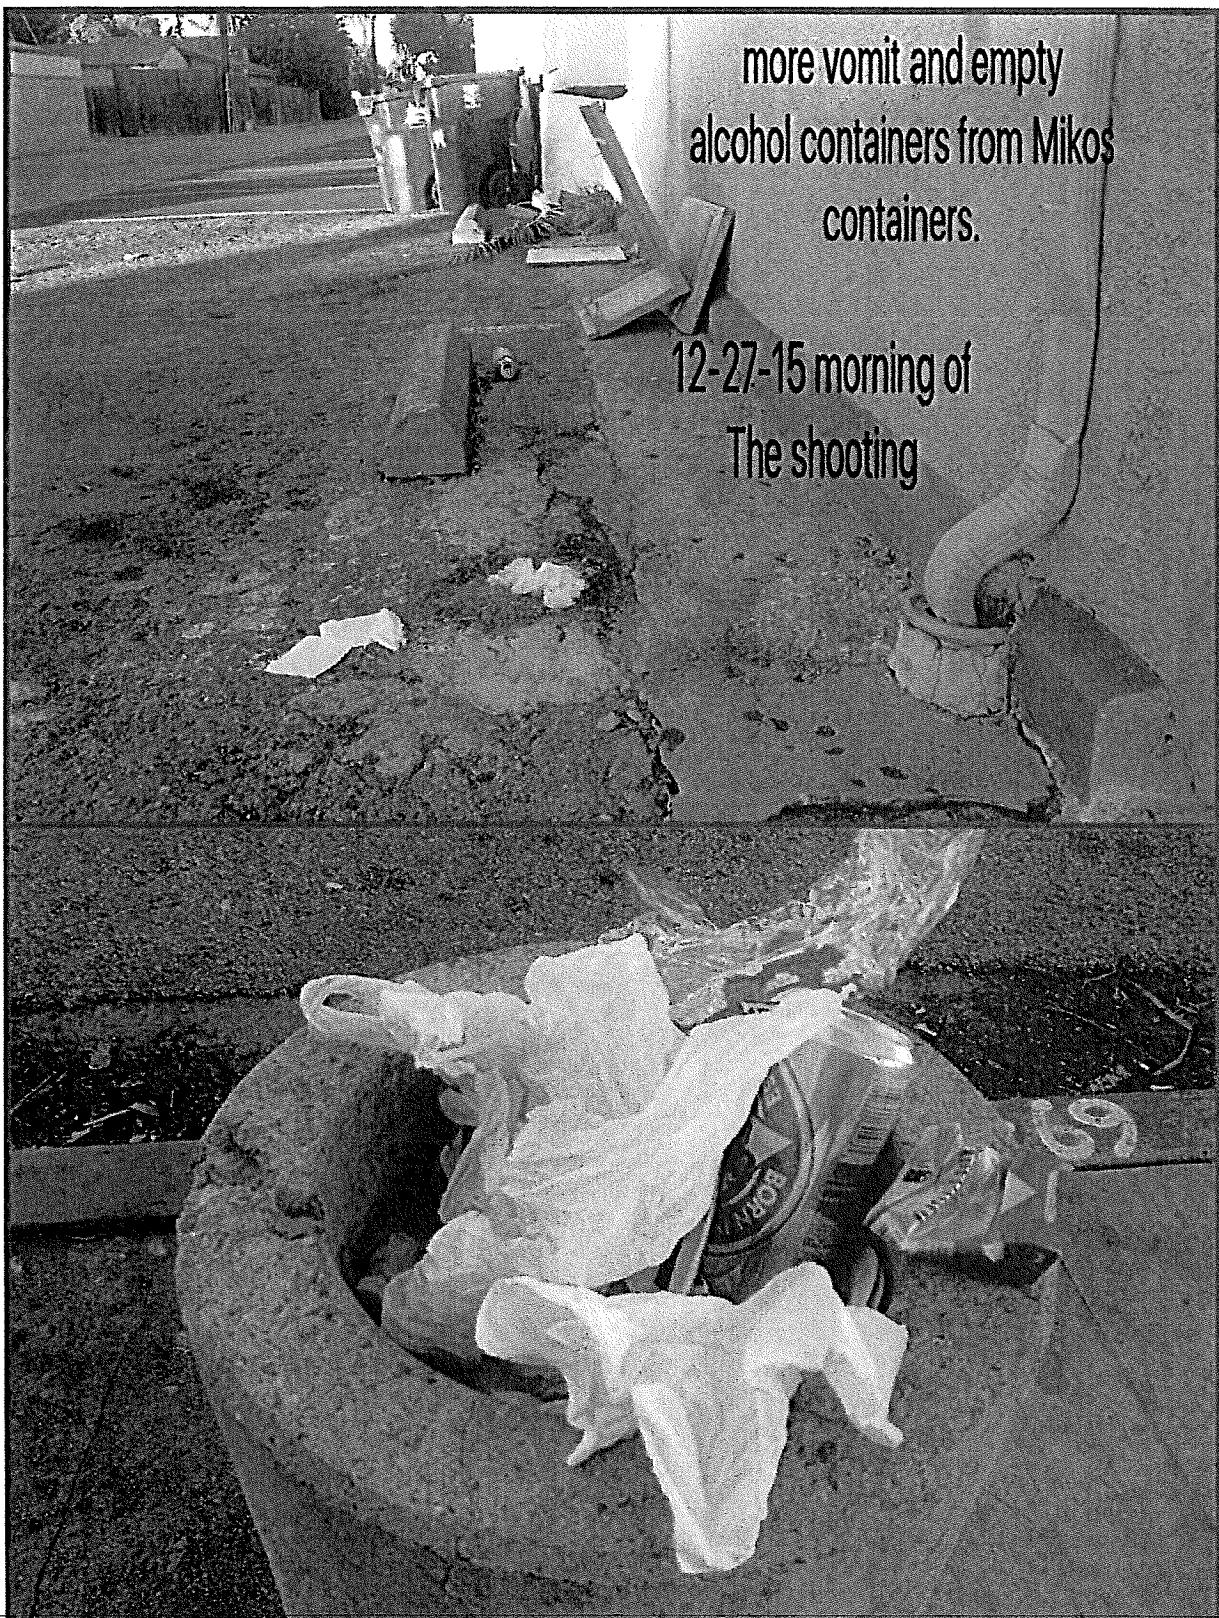

Sincerely,

Dear all .

With all due Respect, I feel like our (homeowners) grievances have very little weight and many of the emails ive read from LBPD seem to be dismissive. In the light of the shooting and finding out that they plan a NYE event. Its clear that the needs of the community mean less than the needs of the Business. I cant even find out any information on the incident this weekend. Had i known i was buying next to such a problem business i would have reconsidered buying my home. Who wants to wake up on the night after christmas knowing that 4 doors down a woman was shot in the head. the bar was open for business the next morning at 11 am. what a shame.

I am shocked beyond expression

EMAIL 12/28/15 From [REDACTED]@[REDACTED].com [REDACTED]

Commander Smith, Councilman Uranga, Mr. Mallory and others,

Attached is an announcement on social media promoting an event with live entertainment at Mikos sports lounge for New Years Eve, 2015.

**LONG BEACH POLICE DEPARTMENT****Narrative**

We value the peaceful enjoyment of our homes and we're very concerned about the negative impact that event will have on our neighborhood.

We see that the event starts at 9:00 pm and ends at 2:00am. It's our understanding that with an OEP, their live entertainment must stop at 10:00pm. Isn't that correct? Wouldn't it be promoted differently if they were adhering to the terms of their OEP, (if on file).

As you'll recall, the bar had an OEP on Halloween, October 31st., which resulted in numerous disturbances to our neighborhood in the early hours the next morning.

Further, we are confounded as to why the city of Long Beach has allowed the bar, located in a residential setting, to expand into a "night club". The Long Beach Conditional Use Permit, dated June 1995, clearly describes the location as a tavern with a pool hall, 4 tables, (not a night club/entertainment destination). The CUP has conditions in it that provide protections to the neighborhood.

Yet our neighborhood continues to be impacted negatively by Mikos Sports Lounge. As stated we value the peaceful enjoyment of our homes, lost since Mikos opened its doors. Please help us protect our residential community.

Thank you,  
Maine ave. Neighborhood Group

Commander Smith,

We want to thank you for providing extra police patrols in our area and the placement of the LBPD Wagon in front of the nuisance bar these last several days.

Specifically, placement of the PD wagon in front of the bar last night, New Years Eve, was likely the reason there were exceptionally few, (and brief) disruptions to our neighborhood.

While we still have fears for our safety and security after the recent bar related shooting we want you to know that we truly appreciate all you are doing to help quell those concerns.

We are hoping that the patrols, including the PD wagon will continue through this weekend and beyond as needed.

Thank you again for anything you can do to help us regain the peace and enjoyment of our homes and neighborhood.

Best wishes for the New Year,

Ms. Richard,

Jan 8 Fri 11:35 pm. Call number 1714.

Rickey Oropeza [REDACTED]

**LONG BEACH POLICE DEPARTMENT****Narrative**

Mr. Oropeza made a call for service on Friday night, Jan 8th regarding a threatening patron of Miko's. The incident started when Ricky told the man to stop urinating on his lawn (a recurring complaint about the bar patrons).

On the audio tape below you hear the man calling Ricky a *faggot, bitch, honkey* and the *N* word. The patron is also baiting him to come outside and fight.

Within a 13 day period, there was a shooting, a volatile argument and now another very disturbing threat to our neighbor. We feel the only solution to two years of unacceptable and dangerous behaviors is to revoke Miko's ABC license.

Best regards,

From [REDACTED] To [REDACTED]

Our videos and any other info are always available to you and the ABC Board...

But I've just spoken to Ricky who said his DVR is having technical problems and he can't get the video footage of the guy as he threatened him. Problem is that the footage skips.

However, Tonette and I can show you the footage our iPads, unedited because we are linked to the camera software. That is how we observed the incident, recorded it, and took still pics of it.

Ricky and I can meet with you tomorrow, or at your convenience, so that you can view our footage.  
 Please let me know what you would like to do.

Thank you,  
 Augusta

From Commander Smith:

Hi Augusta,

Officer Jose Flores is working with Ricky to obtain the complete video and to take a report on the incident. When

## Narrative

## BACKGROUND

I (Officer J Flores #10007) am a Police Officer in the City of Long Beach assigned to the West Division as a Patrol Resource Officer. I am specifically tasked with impacting Community Oriented Public Safety "COPS" locations.

COPS locations are typically long-term problem locations, which may require other city resources in order to eradicate long-term problems.

Miko's bar, which is located at 710 W. Willow Street, has been identified as a possible problem location by the local residents in the area, specifically several who reside on the 2500 block of Main Ave. Under the Long Beach Police Department's COPS philosophy, this location is a COPS location. For further see the main police report.

This supplemental report was added to continue documentation of the ongoing COPS project

I have attached a copy of the Miko's bar's Conditional Use Permit "CUP", from 1995, to this supplemental report.

**Date:** January 29, 2016  
**To:** Patrick H. West, City Manager  
**From:** Robert G. Luna, Chief of Police *R. Luna*  
**Subject:** DENIAL OCCASIONAL EVENT PERMIT  
MIKO'S SPORTS LOUNGE – 710 WEST WILLOW STREET

The Long Beach Police Department reviewed calls for police service at 710 West Willow Street, from December 1, 2013 through December 31, 2015. These dates correspond to the time that Miko's Sports Lounge took ownership of 710 West Willow Street. A total of 221 calls for service were received during this time period. These calls were for loud music, groups, miscellaneous disturbances, fights, disputes, unwelcome subjects, burglary alarms, report calls and public intoxication.

Detectives reviewed police crime reports for the location and found five reports filed between September 2015 and December 2015. Four of the crime reports document unreasonable noise violations, and are supported by video evidence. The fifth crime report was related to an attempted murder that took place on December 27, 2015. Employees of Miko's Sports Lounge told detectives the suspect in the shooting was a regular customer of the bar.

During the month of January, 2016 a report was filed by Long Beach Police Department Detectives to document observed Long Beach Municipal Code violations inside Miko's Sports Lounge. The report detailed a disc jockey and karaoke singing. On the day of the observations, Miko's Sports Lounge was not permitted to offer karaoke or to have a disc jockey operating inside the establishment.

Based upon the listed facts, the Long Beach Police Department has determined the safety and welfare of the general area has been impaired by the persistent nuisance activity surrounding Miko's Sports Lounge. The Long Beach Police Department recommends denial of the OEP application at 710 West Willow Street for February 5-7, 2016, and any future requests for a period of 45 days commencing January 28, 2016 through March 12, 2016.

Dear Ms. Yancey,

On April 9, 2014, detectives with the Vice Investigations Section of the Long Beach Police Department met with you to discuss nuisance related complaints surrounding your establishment. During the meeting, you were advised there had been a significant amount of calls for service attributable to the business consisting of loud music, loud groups, and public intoxication. Detectives suggested the doors, especially the rear door, to the establishment be kept closed while music is played, the volume level of the juke box lowered, and security stationed in the rear parking lot and Maine Avenue as a way to mitigate the complaints.

Detectives reviewed calls for service during the past six weeks, and the same complaints and calls for service exist. The calls for service are consistently occurring on Friday and Saturday evenings between the hours of 9:30 PM and 2:30 AM. The Police Department wants to make you aware of these calls for service, and remind you, as a business owner, it is your responsibility to make an effort to mitigate any nuisance related complaints.

If you have any questions regarding this matter please feel free to contact me or Lieutenant Dan Pratt at (562) 570-7219.

Sincerely,

Richard A. Farfan

Dear Ms. Yancey,

Pursuant to Long Beach Municipal Code Section 5.72.130 D(4) and 5.70.130 H, this letter is to inform you that City has placed a hold on the issuance of all Occasional Event Permits (OEPs) for the property at:

710 W. Willow Street  
Long Beach, CA. 90806

The City has received numerous complaints regarding various nuisance-related activities at the property, which raise public safety concerns (see attached).

The City is also investigating alleged violations of the Conditional Use Permit (CUP) for the property. The City's Development Services Department will be meeting with the property owner to review the alleged CUP violations. Upon the completion of the review process, the City will take any and all action it deems appropriate.

Hi Leslie,

The City did meet with the property owner. Tonette and Steve were able to participate and shared a neighborhood perspective. We're waiting to see what will result from that meeting.

In the meantime, West Division will continue to respond to any calls for service and take appropriate action(s) based on the incident being reported. I've been clear in my requests. Please continue to report any illegal activity through 911.

After we learn of something, I'll meet with the neighborhood again if desired.

Hello Celina, Commander Smith-

I'm just wondering if there is any news about the bar?

You're probably already aware that Ricky has put his house up for sale. Augusta is in intensive care at the hospital. She can barely breathe. I'm sure the stress of the last 2 years has weakened her greatly. Tonette is worried sick and spent. Steve's health has been deteriorating.....

I don't think we can take any more. I thought 1 year was long enough and now it has been 2. 2 years of diligence, of reporting, of complaining, of waiting, of hoping. It's like a black cloud hanging over our heads. You push it aside but it keeps coming back.

The crime in our neighborhood, especially our block has risen, I believe, in direct correlation to the opening of that bar.

My house has been robbed, Cari across the street from me has been robbed, now Heredia's at gun point.... I think we all would move if it was an easy thing to do. I know I would. And believe me we've started looking. If I thought we could get our money out of this house we'd be gone, but unfortunately Miko's has effected that too.

We've been patient. But now I'm done- and I haven't been a half as active as Ricky or Augusta. I can't imagine how they must be feeling.

Please say you have news for us. News that is certain and not just something we have to wait another year for.

Leslie Harvey

**Memorandum**

**Date:** April 20, 2016  
**To:** Patrick H. West, City Manager  
**From:** Robert G. Luna, Chief of Police *R. Luna*  
**Subject:** APPLICATION FOR AN OCCASIONAL EVENT PERMIT  
MIKO'S SPORTS LOUNGE - 710 WEST WILLOW STREET

Based on a comprehensive evaluation, the Police Department recommends **DENIAL** of the applications for Occasional Event Permits (OEP) to take place April 28-30, 2016, and May 19-21, 2016, by Enaid's Way, Incorporated, dba Miko's Sports Lounge located at 710 West Willow Street.

**Background**

Miko's Sports Lounge is a bar/tavern located on the south side of Willow Street between Maine Avenue and Oregon Avenue. The business is a for-profit corporation, Enaid's Way, Incorporated, and has been open for business since December 2013. The corporation currently holds a Type 48 (On-Sale General Public Premises) Alcoholic Beverage Control license. On September 23, 2014, Enaid's Way, Incorporated, applied for an Entertainment with Dancing Permit. The application was denied at the City Council hearing on March 17, 2015.

On January 29, 2016, Enaid's Way, Incorporated, dba Miko's Sports Lounge was denied an OEP for an event February 5-7, 2016. Enaid's Way, Incorporated, dba Miko's Sports Lounge was also prohibited from applying for any OEP's for a period of 45 days, commencing January 28, 2016, through March 12, 2016.

**Crime Analysis**

Detectives with the Long Beach Police Department reviewed the calls for service, crime reports, and arrests since Miko's Sports Lounge was last issued an OEP for an event on January 23, 2016. Detectives found a total of 12 calls for service from January 24, 2016, through April 14, 2016. The calls for service consisted of violation of an Entertainment Permit, loud music, loud groups, public intoxication, a fight, and a stabbing.

Detectives also reviewed the incident reports filed for 710 West Willow Street and found a total of three. One crime report was for an attempted suicide. A bar patron was inside with his girlfriend when they had an argument. The subject left the bar, attempted suicide, and was located approximately three blocks away from the bar. The second crime report was for the stabbing mentioned above. A subject was drinking inside the bar. The subject left the establishment and, a short time later, was seen having an argument in front of the bar with another subject when he was stabbed.

Occasional Event Permit Denial  
Miko's Sports Lounge – 710 West Willow Street  
Page 2

The third crime report relates to the only arrest made from the establishment during the evaluation period. On February 20 2016, the owner of Miko's Sports Lounge, Damitresse Yancey, was issued a citation for providing entertainment without a valid Entertainment Permit. Officers entered the establishment and conducted a compliance check. While inside, they heard and witnessed a disc jockey mixing music over loud speakers in violation of Long Beach Municipal Code section 5.72.110 (A). This was during the time frame that Miko's Sports Lounge was restricted from applying for Occasional Event Permits.

#### Patrol Division

West Division Patrol Commander Robert Smith was contacted for an opinion regarding the issuance of this permit. Commander Smith indicated there is a West Division Patrol Resource Officer actively working this address as a COPS location due to the high volume of calls for service and degree of complaints. There have been complaints for loud music from patrons' vehicles while parked in the neighborhood, loud music from the establishment, and drinking and urinating in public. Commander Smith said the approval of this Occasional Event Permits would increase the number of patrons and the need for additional police resources to respond to the increased calls for service at the location. The rights of the business should be weighed against the quality of life and security of the surrounding neighborhood. Commander Smith is opposed to the issuance of this Occasional Event Permits for Enaid's Way, Incorporated, dba Miko's Sports Lounge at 710 West Willow Street.

#### Vice Investigations

Detectives with the Vice Investigations Section have filed two separate cases with the City Prosecutor's Office as it related to 710 West Willow Street. Detectives conducted an undercover investigation inside Miko's Sports Lounge on January 7, 2016. While inside the establishment, detectives witnessed a disc jockey mixing music through overhead speakers. The owner did not have a valid Entertainment Permit or Occasional Event Permit to have a disc jockey at the time. Detectives later presented the case with Deputy City Prosecutor Calvin George, who filed one misdemeanor count of providing entertainment without a valid Entertainment Permit in violation of Long Beach Municipal Code section 5.72.110 (A) against the owner Damitresse Yancey. (Case number 6LB00815)

As stated earlier, on February 20, 2016, during the evaluation period, the owner of the establishment, Damitresse Yancey, was issued a misdemeanor citation for providing entertainment without a valid Entertainment Permit, in violation of Long Beach Municipal Code section 5.72.110 (A) LBMC. Detectives presented the case to Deputy City Prosecutor Calvin George, who filed one misdemeanor count of providing entertainment without a valid Entertainment Permit in violation of Long Beach Municipal Code section 5.72.110 (A). (Case number 6LB01623)

**Recommendations**

Based upon Vice Section's investigations, West Division Patrol Commander's recommendation, and the crime analysis, the Long Beach Police Department has determined the safety and welfare of the general area has been impaired by the persistent nuisance activity surrounding the establishment. The peace and quiet of the neighborhood has also been disturbed on a continual basis. The owner has continued to show her non-compliance by providing entertainment without a valid permit. The Police Department recommends denial of the OEP applications for April 28-30, 2016, and May 19-21, 2016.

**Narrative****BACKGROUND**

I (Officer J Flores #10007) am a Police Officer in the City of Long Beach assigned to the West Division as a Patrol Resource Officer. I am specifically tasked with impacting Community Oriented Public Safety "COPS" locations.

COPS locations are typically long-term problem locations, which may require other city resources in order to eradicate long-term problems.

Miko's bar, which is located at 710 W. Willow Street, has been identified as a possible problem location by the local residents in the area, specifically several who reside on the 2500 block of Main Ave. Under the Long Beach Police Department's COPS philosophy, this location is a COPS location. For further see the main police report.

This supplemental report was added to continue documentation of the ongoing COPS project.

**EMAIL (Between Art Sanchez and Leslie Harvey / 5-3-16)**

Ms. Harvey,

The owner of the property, Mr. Ron Mackey, was sent a letter dated March 18, 2016 by the Planning Department regarding the violations relating to the CUP for that location. That letter gave Mr. Mackey sixty-(60) days to bring his property into compliance with the CUP, or by May 18, 2016. Neither the Planning Department, as of two weeks ago, nor our office have been contacted by Mr. Mackey. As a result, we will have to wait and see what happens on May 18, 2016.

As for Miko's Sports Lounge and Ms. Yancey, she again attempted to apply for two Occasional Entertainment Permits (OEP) for the weekends of April 28-30, 2016 and May 19-21, 2016. Both OEP applications were denied by the Special Events Department based upon recommendations by the LBPD as well as the Planning Department. The Primary basis for the denial were the number of calls for service for the location since the end of January 2016. During that time span, there have been a number of disturbance calls involving Miko's and its patrons including a stabbing just outside the front entrance to the bar, an attempted suicide, as well as a number of disturbance calls involving patrons of Miko's. In addition, Ms. Yancey was again cited for having entertainment, a DJ, at the bar without an appropriate permit. Ms. Yancey received a similar citation back in January of this year. The misdemeanor citation which she received is being prosecuted by the City Prosecutor's office, with her arraignment on that charge currently set for May 20, 2016.

You are now up to date on what is happening with Miko's Sports Lounge and the location at 710 W. Willow Street. We are continuing to monitor the calls for service for Miko's. In response to your concerns about the location

**LONG BEACH POLICE DEPARTMENT****Narrative**

moving forward, I can firmly assure you and the rest of the residents on Maine Avenue that the conditions at both Miko's Sports Lounge and 710 W. Willow Street are not going to revert back to the way they were in the past. At this point, both Mr. Mackey and Ms. Yancey, will have to comply with all the conditions contained in the CUP. If not, revocation proceedings for the CUP will be initiated by the City's Planning Department. In addition, all future OEP applications submitted by Miko's and/or Ms. Yancey will be thoroughly scrutinized by Special Events, the Planning Department, the LBPD and our office. The calls for service will be closely watched, and if the situation were to revert back to the level it has been over the last two years, the City could take action against Miko's Sports Lounge's business license, which could include a revocation proceeding.

The City's focus is to ensure that the conditions at the location continue change for the better. There will be no "going back to the usual."

Should you have any further questions regarding this matter, please do not hesitate to contact me directly.

Thank you.

>> Commander Smith,  
 >> Our Maine ave. Neighborhood Group is appreciative of your follow up meeting with us on Wednesday May 18th regarding the nuisance bar, Mikos, at 710 W. Willow st. Any and all efforts to regain the peaceful enjoyment of our neighborhood is a shared goal.

>>  
 >> We've always understood the importance of calling for service when our peace is disturbed and you underscored its value.  
 >>  
 >> We're therefore bringing your attention to the many calls for service made early this morning, Saturday, May 21st. These are approximate times.

>>  
 >> Call # 23 approx 12:25am, Ricky, Tonette and Steve. Loud patrons on Maine ave at Willow st, drinking and disturbing peace.  
 >>  
 >> Call # 142/143 approx 2:00am, Tonette Steve and Ricky. Extremely loud music/bass from patrons car on Maine at Willow st., loud patrons loitering on corner Maine/ Willow. Some of those calls for service had to be repeated because the responding patrol car initially drove by the group and thru a loud speaker told them to turn the music down and drove off. They did not.

**LONG BEACH POLICE DEPARTMENT****Narrative**

&gt;&gt;

>> At one point Ricky was going to file a citizens complaint against the noisy patrons but never got the return call he'd requested when speaking to dispatcher. Two patrol cars did respond at some point and the disturbances lessened.

&gt;&gt;

>> Call # 142 or 143 approx 2:30 am. Tonette; loud patrons disturbing peace in their car in front of neighbors home on Maine ave. Call was cancelled later when patrons finally drove away.

&gt;&gt;

>> Below are pictures of liquor containers and vomit left behind on our street by Mikos patrons early this morning.

&gt;&gt;

>> It should be noted that based on the large crowds, the bar may have had live entertainment though we understand there was no OEP. Further, there did not appear to be any security personnel present to stop the many disturbances. If there had been perhaps the city resources, police patrols, would not have been required. That is a Conditional Use Permit issue, addressed many times with city departments by our group.

&gt;&gt;

>> Thank you for your consideration.

City Reps Sanchez, Mais, Ramirez and Commander Smith,

Below you'll find promotional announcements posted online for a Friday, May 20, 2016 event located at Mikos Sports Lounge, 8:00pm to 2:00am.

We understand that the bar did not have an OEP for this past weekend yet the promotional material below clearly states there would be live entertainment, (allevents.inlongbeach, DJ count, The Long Beach Playaz).

In our emails to you dated May 21st, we informed you of the many disruptions our neighborhood experienced due to the nuisance activity from the bar/patrons late Friday May 20th thru early Saturday morning.

If it is the case that there was live un-permitted entertainment;

We hope that the police who responded to our disturbance calls went into the bar and cited them for not having an entertainment permit and noted whether or not there was appropriate security. Whether cited or not this disruptive weekend is another example that the bar continues to be in violation of the Conditional Use Permit and it should be revoked.

Thank you,

Maine Ave Neighborhood Group

FYI-please read below- Tonette tells me there are other calls besides the 2 I mentioned and she will forward the list....

Thank you for the meeting on Wednesday. I'm sorry I could not attend. I teach until 8:30 on Wednesdays.

Gentlemen-

Just wanted to let you know that Miko's is heating up again. Multiple calls were made to the police department last night and early this morning beginning about 11:30 pm by my neighbor's.

We suspect that there was some kind of un-permitted entertainment going on. I believe their 60 days is up and so now they think they are in the clear.

FYI, call numbers for this morning were #23@12:31am  
#143@2:10am

**LONG BEACH POLICE DEPARTMENT****Narrative**

Please do routine checks on this establishment, especially if get have applied and been denied an OEP for a certain date. They seem to just go ahead with the entertainment and pay the violation if they get one. Also, would you please check police reports and close this bar if you find they were in violation of their CUP. Ever hopeful-  
Leslie Harvey

## EMAIL FROM STEVEN KIRKPATRICK TO COMMANDER ROBERT SMITH (07/22/16)

Commander Smith,

Sorry to bother you, As you probably know Ricky moved out of his home, the house is covered for termites. At around 10:30pm Thursday 21st , I called and spoke to one of you're dispatchers who I didn't recognize I had to give her a little history of our neighborhoods situation with the bar and that's what I attempted to do. She basically told me they had a right to be there but, I had to remind her but, not to disturb my peace. The call number I didn't write it down I was sleeping and got little angry so sorry for that. Please apologize to her for me.

I got a dose of music coming out of the bar it's been a while but, that's why I called. The dispatcher also, asked is a complaint I wanted to do. I don't want to be a target from the folks at the bar, I think in the pass Ms. Lacey has discussed neighbor complaints with the patrons. I'm scared out of reiteration I'm going to have to move my car beyond my gate which is a hassle being disable getting it out to do what I need to do can be a disaster for me. I just don't want be apart of the disturbance the lounge causes every Thursday, Friday, Sat and Sun nights.

I have along been fearful of the elements this bar attracts into the neighborhood. Now that Ricky is gone I fear things are going to be even worst.

Thanks for listening to me Commander Smith.

Sincerely

**LONG BEACH POLICE DEPARTMENT****Narrative**

Mr. Kirkpatrick.

**EMAIL FROM LESLEY HARVEY (07/16/22)**

Greetings Gentleman,

Last night Miko's had a food truck parked in front of the bar. Thus, lots of raucous patrons hanging out on the street and in the neighborhood.

Please check transcripts from last night and early this morning. Several calls were made to the PD regarding street noise, loud voices, street partying #176, 179, 119

Calls started about 11:30pm and from what I understand ended with an escalating argument between Police officers and patrons around 3:40am, well after the bar should be closed.

I don't know if any of the police officers went into Miko's to see if there was some kind of I permitted entertainment taking place. I hope that this is standard procedure.

Does she need a permit for a food truck to be there?

Anyway, thank you for your attention.

Leslie and the  
Maine Ave. group

I don't know if this is what was going on last night or not. But clearly she continues to schedule special events despite no entertainment permits.

**EMAIL FROM LESLEY HARVEY TO COMMANDER SMITH AND ART SANCHEZ**

Hello Mr. Sanchez, Commander Bob,

We neighbors were quite happy to hear the news of the 710 Bar closing! Thank you so much for looking out for our community.

Mr. Sanchez, has been over 45 days since our last correspondence regarding the compliance of Miko's Bar and the existing CUP referenced in your last communication dated May 27th-

Finally, with regard to the CUP for 710 W. Willow Street. Ms. Yancey provided a response to the Planning Department's letter detailing the existing CUP violations, on behalf of both Mr. Mackey and the Miko's Sports Lounge. It is my understanding that, in light of the ongoing violations of the terms of the CUP and the ongoing nuisance related activity, the proposed changes in Ms. Yancey's response were found to be inadequate. As a result, the Planning Department will be sending out a second letter to both Ms. Yancey and Mr. Mackey by early next week informing them of this determination. Pursuant to the relevant provisions of the Long Beach Municipal Code, they will have another forty-five (45) days in order to correct the violations and come into compliance the CUP. If they fail to do so within that period, then a revocation hearing for their CUP will be scheduled before the Planning Commission.

We are wondering if there is any sort of update?

In addition, we would like to know if there has been any further communication with the owner of the property, Mr. Mackey. We want to make sure he is aware that disturbances and calls to the police continue at this location. It was apparent at the last meeting where he was present, that he really has been kept in the dark about the things that have gone on there, relying mainly on information from his tenant.

**LONG BEACH POLICE DEPARTMENT****Narrative**

For example, has anyone informed him about the stabbing that took place? Is he updated on the number of calls that continue? And if not, is there any way for either of you to have a conversation with him regarding these activities?

An update on our end- Ricky has successfully sold his house and is readying his move. He continues to have personal harassment from the bar owner and her friends. Just irritating comments etc. He has not been spending much time at his house as he and his family continue to deal with the tragic loss of his brother in law and hospitalizations of the other family members involved in the crash. Consequently the person most effected by the bar activity has become Steve Kirkpatrick, as you will notice if you review the calls to the police department.

Augusta is home from the hospital after 3 months. She is recovering.

Ok, I'll sign off and look forward to your responses.

Leslie Harvey

Re: 710 Willow Street (CUP 9505-01)

The property at the above referenced location was granted a Conditional Use Permit and a Standards Variance (Case No. 9505-01) on June 15, 1995. When this permit was granted, the property owner(s) agreed to a list of Conditions of Approval and signed a Conditions of Approval Acknowledgment form agreeing to the said conditions. The Department of Development Services, the Office of the City Attorney, as well as the Police Department have received numerous complaints and have determined that the property is in violation of the Conditions of Approval.

The Department did previously request on March 18, 2016, and received on May 13, 2016, responsive documents regarding the condition of compliance on this property. These documents are inadequate to demonstrate compliance with the conditions of approval. In addition, the establishment continues to operate as a public nuisance in detriment to the health, safety and general welfare of the surrounding community. Based on both the ongoing condition violations, as well as the public nuisance activity and resulting harm, the City has begun revocation proceedings for this property pursuant to Municipal Code Section 21.21.601. A revocation of the Conditional Use Permit for the premises will result in the loss of your right to sell alcoholic beverages at the property. The City is in the process of scheduling a revocation hearing before the Planning Commission and will be providing you with notice of the hearing date shortly.

The following Conditions of Approval remain out of compliance:

**Condition #14** –The operator of the use shall provide security measures to the satisfaction of the Chief of Police.

The Long Beach Police Department received copies of the guard cards and security plan on May 9, 2016. This level of security is inadequate as evidenced by the Police Department comments, as well as the high number of calls for service, complaints and incidents in the surrounding neighborhoods. The current security plan calls for a single guard who monitors the front door, back parking, Maine Avenue, and works as a bar back clearing tables and maintaining ice and service items at the bar. defined in the response from Dede Yancy to Long Beach Police Department dated May 9, 2016) two security guards rotate between the front and rear doors.

The Long Beach Police Department requires, and the Planning Bureau concurs, that security guards should be employed only for security services and not involved in bar back duties, assistance to patrons or other non-security functions. A minimum of two security personnel during slower periods and three security personnel after 10 PM, as well as during all busier periods are necessary to control the front door, rear door and the exterior areas including parking, Maine Avenue and points between. The volume of complaints regarding patrons and noise in the parking area, as well as along Maine Avenue, indicate that the current security provided is both inadequate and ineffective. The number of altercations and other incidents of disruptive behavior related to Miko's patrons occurring in the surrounding community is particularly alarming and evidence of inadequate security and of the ongoing violation of Condition #14.

**Condition # 20** – The applicant/developer shall be required to provide for and maintain five additional parking spaces from adjoining property owners by shared use agreement for the use of said parking after 5:00 P.M. seven days a week to the satisfaction of the Director of Development Services. Such agreement shall be recorded with the Los Angeles County Recorder's Office.

The parking agreement provided on May 13, 2016 is dated May 5, 2016, with "Five and Two Teriyaki" providing the parking. This agreement according to its own terms is specified to end that same day that it was issued. This document has not been recorded with the Los Angeles County Recorder as required by the condition. This arrangement is for the period of time from 9:00 P.M. to 2:00 A.M., whereas the condition requires parking beginning at 5:00 P.M. Additionally, customers of Miko's need to be informed of this parking opportunity through signage and the parking area must be secured in terms of noise and safety. This constitutes an ongoing violation of Condition #20.

**Work without permits** – On May 20, 2016, the subject property was served with a second notice of violation for work performed without permits. A previous stop work notice was issued on September 9, 2015. Please immediately cease all work at the premises and obtain the necessary permits prior to initiating work.

**Public Nuisance** – The continued operation of Miko's Sports Lounge has created a public nuisance with incidents of noise, crime and other disturbances which impact the health, safety and general welfare of the surrounding community at large. Evidenced by numerous noise complaints, police calls for service and the testimony of impacted residents, it is clear that the operation of Miko's Sports Lounge is not in due consideration to the health, safety and general welfare of the public. The Office of the City Attorney first opened a nuisance investigation for this property on March 18, 2014. Numerous meetings with residents and the business operator occurred in 2014 and both the property owner and proprietor made assurances that the business would operate in due consideration of the health, safety and general welfare of the community going forward. Unfortunately, the impacts to residents and incidents requiring a response from the Long Beach Police Department continued, and a new nuisance investigation was re-opened in December 2015.

Frequent noise issues behind the establishment, as well as on Maine Avenue, Oregon Avenue and 25<sup>th</sup> Way were caused by Miko's customers traversing between the establishment and their parked cars. At times they are simply loud, while at other times they are engaged in arguing and belligerent conduct. Such conduct impacts both the sleep patterns and public health of the residents in the surrounding community. Such disturbances have also included Miko's customers drinking and playing loud music in their vehicles, all to the detriment of the homes and residents in the area. In total, 248 calls for service since January 21, 2014 have occurred as a result of Miko's establishment.

Staff is particularly concerned with violent incidents occurring involving Miko's customers. These documented incidents include fights, disputes, an attempted suicide and an assault with a deadly weapon (stabbing), as well as a second assault with a deadly weapon (shooting). Such incidents are beyond any reasonable annoyance and impact the overall safety of the surrounding community. These instances of an ongoing public nuisance have not been abated. In fact, despite previous warnings to both the business operator and property owner, a large number of complaints were received regarding activities on May 20, 2016. A special event was advertised for that evening despite the fact that the facility had not secured an Occasional Entertainment Permit (OEP) and does not hold an ongoing Entertainment Permit.

In addition to a violation of the Conditional Use Permit conditions and numerous calls for police service, the establishment's proprietor has been cited on at least two occasions for hosting special events without the required OEP, on January 7, 2016 and February 20, 2016, respectively. In summary, the establishment has been, and continues to be, detrimental to the public's health, safety and general welfare, negatively impacting a substantial number of people at the same time.

The continued violation of the conditions of this Conditional Use Permit (Case No. 9505-01), including the above said conditions, form the basis for the prosecution, and/or revocation and termination of all rights thereunder by the City of Long Beach. Please be advised that you will be notified of the date of the revocation hearing before the City's Planning Commission under separate cover and/or any other enforcement proceedings available to the City under law.

Sincerely,

Amy J. Bodek, AICP

**Narrative****BACKGROUND**

I (Sergeant J. Flores #10007) am a Police Sergeant in the City of Long Beach assigned to the West Division. While assigned to the West Division I have worked as a Patrol Resource Officer specifically tasked with impacting Community Oriented Public Safety "COPS" locations.

COPS locations are typically long-term problem locations, which may require other city resources in order to eradicate long-term problems.

Miko's bar, which is located at 710 W. Willow Street, has been identified as a possible problem location by the local residents in the area, specifically several who reside on the 2500 block of Main Ave. Under the Long Beach Police Department's COPS philosophy, this location is a COPS location. For further see the main police report.

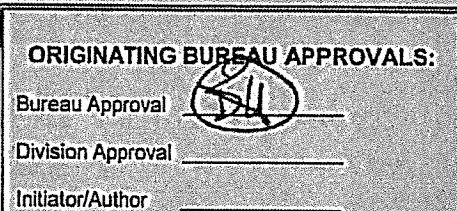

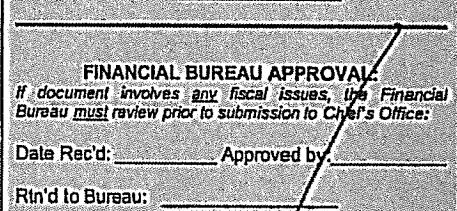

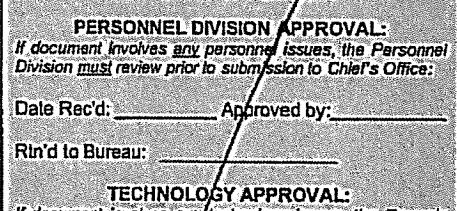

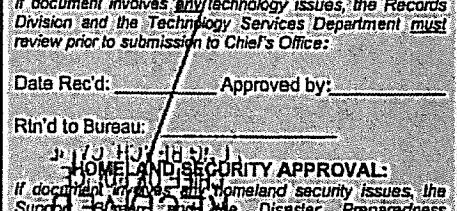

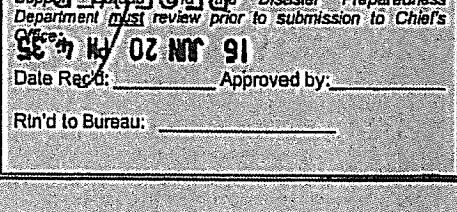

This supplemental report was added to continue documentation of the ongoing COPS project.

I have attached to Business License Revocation to this supplemental report.

Description  
**Golden Rod 2.jpg**

**City of Long Beach**  
Working Together to Serve

**Memorandum**

**Date:** June 20, 2016  
**To:** Jason MacDonald, Bureau Manager, Business Services Bureau  
**From:** Robert G. Luna, Chief of Police *R. Luna*  
**Subject:** REVOCATION OF BUSINESS LICENSE #BU21338610 DAMITRESSE YANCEY,  
DBA MIKO'S SPORTS LOUNGE – 710 W. WILLOW STREET

The Director of Financial Management is the issuing authority for business licenses issued pursuant to Long Beach Municipal Code Chapter 3.80. The Director is also empowered to suspend, deny, or revoke business licenses, pursuant to §3.80.429.1(A) LBMC, when a licensee has failed to comply with any applicable provision or requirement of law. Pursuant to this authority, the Police Department respectfully requests that you REVOKE the business license (BU21338610), issued to Damitresse Yancey, DBA Miko's Sports Lounge to operate a business at 710 W. Willow Street, for the following reason.

In December 2013, Damitresse Yancey was issued a business license to operate a bar at 710 W. Willow Street.

Since that time, the Police Department has had to respond to hundreds of calls for service regarding the business. In an attempt to mitigate the business' significant and negative impact our ability to provide law enforcement services to others, Long Beach Police Officers proactively conducted investigations at the business—some of which resulted in misdemeanor citations being issued. The respective Patrol Commander was forced to attend community meetings, along with his staff, to address concerns the bar's neighbor had. Additionally, the Patrol Commander and his staff were required to address the bar's continuing nuisance activity with other City Departments, impacting their workload in addition to his own. The following is a summary of the nuisance activity associated with the business. Though the city has met and spoken with the business owner, Damitresse Yancey, on several occasions, she is unwilling or unable to abate the nuisance her business has created:

- Approximately 250 Police Calls for Service between January 1, 2014 through May 25, 2016
- December 27, 2015 – Attempted murder / shooting
- January 7, 2016 – Citation for providing entertainment without the required Entertainment Permit
- February 20, 2016 – Citation for providing entertainment without the required Entertainment Permit
- March 27, 2016 – Subject attempted suicide outside, after drinking inside bar
- March 30, 2016 – Stabbing that occurred outside, involving a person that was just drinking inside, and who went back inside after being stabbed outside
- The business is, and has been, out of compliance with their Conditional Use Permit (Please contact Department of Development Services for further information)

REVOCACTION OF BUSINESS LICENSE (BU21338610)  
MIKO'S SPORTS LOUNGE – 710 W. WILLOW STREET  
Page 2

It is the Police Department's responsibility to maintain law and order within the City of Long Beach and to ensure the public peace, safety, and welfare is maintained. Based on the above information and the business owner's inability or unwillingness to abate nuisance activity at this location, the Chief of Police respectfully requests that you **REVOKE** the business license (BU21338610) issued to Damitresse Yancey, DBA Miko's Sports Lounge, to operate a business at 710 W. Willow Street.

If you have any questions or require additional information, please contact me, or my Chief of Staff, Commander Wally Hebeish, at extension 87301.
