HONORABLE MAYOR AND CITY COUNCIL
City of Long Beach
California

RECOMMENDATION:

Receive the supporting documentation into the record, conclude the hearing and approve the hearing officer's recommendation to deny the business license application submitted by Alsace Lorraine Fine Pastries Inc., dba Alsace Lorraine Fine Pastries, located at 4334 Atlantic Avenue. (District 8)

DISCUSSION

The Long Beach Municipal Code (LBMC) requires a hearing be held before the City Council whenever a denial of a business license application is appealed.

On August 9, 2016, the City Council referred the appeal of the business license application denial for Alsace Lorraine Fine Pastries (Alsace Lorraine), to a hearing officer and the appeal hearing was held on September 7, 2016. When the City Council appoints a hearing officer to conduct the appeal proceedings, the LBMC also requires the City Council to review and consider the hearing officer's written report. The City Council may adopt, reject or modify the recommended decision. In its discretion, the City Council may take additional evidence at the hearing or refer the case back to the hearing officer with instructions to consider additional evidence.

Attached for your review is Hearing Officer Thomas A. Ramsey's written report (Exhibit A). Hearing Officer Ramsey recommends to uphold the denial of the business license application submitted by Alsace Lorraine, located at 4334 Atlantic Avenue.

Relevant background for this matter includes a series of events related to the commercial/industrial business license for the property, all of which occurred prior to Alsace Lorraine's application for a business license. On April 11, 2012, a hearing was conducted to revoke the commercial/industrial business license of the property owner, Khien C. Ngo, located at 4332-4336 Atlantic Avenue, due to the property owner knowingly allowing an illegal marijuana dispensary to operate at the stated location. On April 17, 2012, the hearing officer recommended that the Director of Financial Management revoke business license number BU07045412 (Exhibit A9). On April 19, 2012, the Department of Financial Management revoked the property owner's commercial/industrial business license (Exhibit A10). A commercial/industrial business license allows a property owner to lease a commercial/industrial space for a specific property. According to LBMC Section 3.80.210, it is unlawful for any person to carry on

any business without having procured a business license. Due to the prior revocation of the property owner's business license, there is no longer a valid commercial/industrial business license to lease the commercial/industrial space to Alsace Lorraine.

The events leading up to the hearing officer's decision are as follows, in chronological order:

- On June 19, 2014, Alsace Lorraine applied for a food processing license to operate as a bakery at 4334 Atlantic Avenue (Exhibit A2).
- On September 2, 2014, the Department of Financial Management denied the business license application (BU21426600) submitted by Alsace Lorraine due to lack of valid commercial/industrial license on the part of the property owner, as referenced above (Exhibit A3).
- On September 9, 2014, Alsace Lorraine lodged its written request for appeal (Exhibit A4). Pursuant to LBMC Section 3.80.421.6, a licensee can appeal the denial of a business license to the City Council.
- On October 6, 2014, the Department of Financial Management denied the request for appeal due to the grounds for the appeal being insufficient per LBMC Section 3.80.421.6 and being in direct conflict with the LBMC as it relates to commercial/industrial business licenses (Exhibit A5).
- On September 24, 2015, Alsace Lorraine filed a complaint for a petition for writ of mandate, declaratory relief for violations of the U.S. and California Constitutions and due process, and violation of the LBMC with the Los Angeles County Superior Court (Exhibit A6).
- On July 6, 2016, Alsace Lorraine lodged a second written request for appeal (Exhibit A7), and, on August 9, 2016, the City Council referred the matter to a hearing officer in accordance with LBMC Section 2.93.050(A).
- On September 7, 2016, the appeal hearing for the denial of the business license application BU21426600 was held. The presiding hearing officer, assigned by the City Clerk's Office, was Thomas A. Ramsey.
- On September 9, 2016, the hearing officer recommended that the denial of the business license application submitted by Alsace Lorraine, located at 4334 Atlantic Avenue, should be upheld due to failure of the property owner to hold a business license to lease the space (Exhibit A).

LBMC Section 2.93.050 requires that the City Council set a time for a hearing to review and consider the hearing officer's report and recommendation. After review of the hearing officer's report, the City Council may adopt, reject or modify the recommended decision.

4. STATEMENT OF THE ISSUE BEFORE THE HEARING OFFICER

The issue in this matter is as follows: Should the Application be granted or denied?

5. SUMMARY OF RELEVANT EVIDENCE INTRODUCED BY THE CITY

Jason MacDonald, the City's Purchasing and Business Services Manager, testified on the City's behalf.

Exhibits A1-15, B, C and D, introduced by the City, were placed into evidence.

The evidence, based on the testimony of the City's witness and the content of the City's exhibits, is as follows:

- On April 25, 2011, the Land Owner held Business License Number BU07045412, issued by the City, by which he was permitted to rent commercial/industrial space at 4332, 4334 and 4336 Atlantic Avenue, Long Beach (the Land Owner's Business License). See Exhibit D.
- As a result of an investigation by the City, it was determined that an unlicensed medical marijuana dispensary was being operated at 4332 Atlantic Avenue, one of the addresses listed in the Land Owner's Business License.
- During April 2012, an administrative hearing was conducted to determine whether the Land Owner's Business License should be revoked due to the tenant's operations.
- On April 17, 2012, the hearing officer recommended, in his written report (Exhibit A-9), that the Land Owner's Business License be revoked because he was conducting a business outside the scope of the authorized business activities indentified in the license.

Report and Recommendation of Hearing Officer
Matter of City of Long Beach Business License Application numbered BU21426600
September 9, 2016
Page Four

- Effective April 19, 2012, the Land Owner's Business License was revoked. The Land Owner was given written notice of the revocation (Exhibit A-10). The notice identifies by license number the Land Owner's Business License. It also identifies the problem premises, namely 4332 Atlantic Avenue.
- On October 23, 2014, the Land Owner applied for a business license to rent the 4332 Atlantic Avenue premises (Exhibit A-8).
- The application was denied, apparently due to the failure of the Land Owner to comply with applicable laws and regulations.
- No subsequent business license has been issued to the Land Owner for his leasing activities.
- The Land Owner has no present license to lease any portion of the premises known as 4332, 4334 or 4336 Atlantic Avenue.
- On June 17, 2014, the Applicant applied for a business license to operate its bakery (Exhibit A-2).
- The Application was denied because the Land Owner had no license to rent the Premises to the Applicant. That being so, the Land Owner cannot lawfully rent the Premises to the Applicant. For the Application to be granted, there can be no violations of applicable laws or regulations.
- On September 2, 2014, the City informed the Applicant that the Application was denied (Exhibit A-3).

6. SUMMARY OF RELEVANT EVIDENCE INTRODUCED BY THE APPLICANT

Counsel for the Applicant testified on its behalf. Exhibit E, introduced by the Applicant, was placed into evidence.

The evidence, based on the testimony of the Applicant's witness and the content of the Applicant's exhibit, is as follows:

- During 2014, the Applicant purchased a bakery business and either assumed the existing lease with the Land Owner or entered into a new lease.
- During July 2014, the Applicant submitted the Application to the City for a business license to operate its bakery (Exhibit A-2).

Report and Recommendation of Hearing Officer
Matter of City of Long Beach Business License Application numbered BU21426600
September 9, 2016
Page Five

- On September 2, 2014, the Application was denied because the Land Owner has failed "to comply with applicable laws and regulations" (Exhibit A-3).
- In response, counsel for the Applicant sent a letter to the City complaining that the denial was due to the actions of the Property Owner, not the Applicant. The author of the letter states that the Applicant will be filing an appeal and asks that, in the meantime, the City issue a conditional license allowing the Applicant to operate its bakery until the matter is resolved (Exhibit A-4). No conditional license was issued by the City.
- On September 9, 2014, an appeal was filed.
- On October 6, 2014, the City informed the Applicant that the appeal was denied.
- On September 24, 2015, the Applicant initiated a lawsuit against the City and some of its employees for a Writ of Mandate, among other remedies, asking the court to order the City to issue a business license to it.
- Subsequently, by stipulation between the parties, the lawsuit is on hold pending the outcome of this hearing.
- In the meantime, the Applicant's bakery is operating without a business license, although it has health permit issued by the City (Exhibit E).
- Also in the meantime, the Land Owner continues, as always, to collect rent notwithstanding the fact that since April 19, 2012, he has not had a license to lease the Premises to anyone.

7. FINDINGS OF FACT

The findings of fact are as follows:

- A. Prior to April 2012, Khien Chi Ngo, the owner of premises commonly known as 4332, 4334 and 4336 Atlantic Avenue, held Business License Number BU07045412 issued by the City of Long Beach by which he was allowed to lease the improvements at those addresses.
- B. Also prior to April 2012, Khien Chi Ngo leased a bakery facility at 4334 Atlantic Avenue to the Applicant's assignor.

Report and Recommendation of Hearing Officer

September 9, 2016
Page Six

- C. During April 2012, Khien Chi Ngo's Business License Number BU07045412 was revoked by the City of Long Beach due to illegal activities being conducted at 4332 Atlantic Avenue.
- D. On April 19, 2012, the City of Long Beach advised Khien Chi Ngo, in writing, that Business License Number BU07045412 had been revoked (Exhibit A-10).
- E. Since April 2012, and through the present time, Khien Chi Ngo has not held any license permitting him to lease any portion of the premises commonly known as 4332, 4334 and 4336 Atlantic Avenue.
- F. During 2014, the Applicant purchased the existing bakery business located at 4334 Atlantic Avenue.
- G. Without the benefit of a valid business license since April 2012, during 2014 Khien Chi Ngo leased the bakery facility located at 4334 Atlantic Avenue to the Applicant.
- H. During 2014, the Applicant applied for a business license to operate its bakery.
- I. The application was denied by the City of Long Beach.
- J. The appellate process by the Applicant cumulated in a lawsuit initiated by the Applicant against the City of Long Beach and some of its employees in the Los Angeles County Superior Court.
- K. Since 2014, the Applicant has continued to operate a bakery known as Alsace Lorraine from the leased premises without a valid business license.
- L. Also since 2014, Khien Chi Ngo has continued to rent the Premises to and collect rent from the Applicant.
- M. The Superior Court lawsuit is on hold until the recommendation of this hearing officer is promulgated.

8. RECOMMENDATION

Based on the evidence presented, the source of the City's denial of Applicant's application for a business license is based on the conduct of Khien Chi Ngo, the owner of premises commonly known as 4332, 4334 and 4336 Atlantic Avenue. His license to lease *any portion* of the Atlantic Avenue addresses was revoked, due to a problem at just one portion of it. Without the benefit of a license for a significant period of time, he entered into a lease with the Applicant and has collected rent from at least the Applicant, perhaps others. He has failed to sufficiently clean up his act and obtain a business license for *any* leasing activities at the Atlantic Avenue addresses. The fact that he applied for a new license certainly leads one to conclude that he knows a license is required to carry on his leasing activities.

In this setting, the Applicant purchased an established business and became a lessee of Khien Chi Ngo. It applied to the City for a business license. In all likelihood, the Applicant first learned of the license status of Khien Chi Ngo for the first time when the City responded to the Application. No evidence was presented by either the Applicant or the City that the Applicant was aware of the license status of Khien Chi Ngo prior to the City's denial of the Applicant's license application.

This factual setting places the Applicant in an unfortunate position. From the evidence presented at the hearing, the Applicant purchased an established business in good faith and continued the landlord/tenant relationship with Khien Chi Ngo. When it applied for a permit to conduct its business it first learned that it could not obtain a business license due to the conduct of Khien Chi Ngo. Although it holds an Annual Health Permit, it does not have a business license. However, it nevertheless is conducting its business and paying rent to Khien Chi Ngo. And, of course, Khien Chi Ngo is collecting rent from the Applicant and, perhaps, others.

A review of the documentation and communications concerning Business License Number BU07045412 should lead to the conclusion that one business license issued to Khien Chi Ngo, and later revoked, covers his leasing activities for the entire 4332, 4334 and 4336 Atlantic Avenue premises. Although a careful reading can support this conclusion, it might take a lawyer to get to that point.

Unfortunately as it seems, it is recommended that City of Long Beach Business License Application Number BU21426600 be denied.

Respectfully submitted,

THOMAS A. RAMSEY

Business License Required (L.B.M.C. 3.80.210)

Under the Long Beach Municipal Code (Section 3.80.210), any person operating a business in the City of Long Beach is required to obtain a business license and pay an annual business license tax, prior to the operation of that business.

Term of License (L.B.M.C. 3.80.520)

A business license is valid for one (1) year from the date of issuance (unless otherwise noted) and must be renewed each year. A renewal notice is sent to the licensee ten (10) days prior to the due date, and the licensee has thirty (30) days to pay without penalty. If a notice is not received by the licensee, he/she is still responsible for payment by the due date. If the licensee changes his/her mailing address during the year, he/she should contact the Business License Section to report the change.

Penalties (L.B.M.C. 3.80.422)

A penalty equivalent to twenty-five percent (25%) of the payment due applies to all delinquent licenses unpaid after thirty (30) days from the due date. An additional ten percent (10%) penalty is added on the first day of the calendar month following the imposition of the twenty-five percent (25%) penalty if the tax remains unpaid, up to a maximum of one hundred percent (100%) of the tax due. The postmark will govern the determination of whether or not a tax payment is delinquent. A delinquent tax will be deemed a debt to the City, and the licensee shall be liable for legal action if it remains unpaid.

Multiple Businesses at one Location (L.B.M.C 3.80.420.6)

When more than one business activity is engaged in at the same location, and the activity falls into a classification other than that of the original license, the licensee is required to obtain an additional license for each different business activity. If the licensee has more than one business license at the same location, he/she may choose to pay for all employees on one license. If so, the licensee will pay for the employees on the license with the higher employee rate.

Definition of an Employee (L.B.M.C. 3.80.150)

For the purpose of Business License taxation in the City of Long Beach, an employee is defined as: Every person engaged in the operation or conduct of any business in Long Beach, whether as owner, member of the owner's family, partner, associate, agent, manager or solicitor, and every person employed or working in such business, whether full-time, part-time, permanent or temporary, for a wage, salary, commission or room and board. The owner of a sole proprietorship shall not be deemed to be an "employee" of the business.

Change of Location (L.B.M.C. 3.80.424)

Every person possessing a City of Long Beach Business License who changes the location of his place of business shall, prior to engaging in such a business at the new location, have the City endorse the new location on the license.

Display of License (L.B.M.C. 3.80.425.5)

Every person having a license shall prominently display the license at the place of business. If the business is operated from a vehicle, an identifying decal issued by the City shall be affixed to the vehicle, and the business license shall be carried by the licensee.

Refunds Prior to Start of Business (L.B.M.C. 3.80.427.5.F)

Any application for refund must be made by the person entitled to the money within one year after payment of the money to the City. No refund shall be made of any moneys paid for the issuance or renewal of any license unless it is determined that such licensee has not engaged in, nor held himself out as being engaged in, such business or occupation at any time after the effective date of the license. The amount of the refund shall be the full amount of the license tax paid, less an amount determined by the Director of Financial Management, which shall cover the cost of investigation and issuance of the license.

When a business license inspection is scheduled, the business must be fully prepared to operate, and the business owner or operator must be on site for the entire scheduled time of inspection. - B. The director may issue a conditional license under this chapter for the applicant to conduct business during the investigation period if: all necessary applications have been completed by the applicant, the business tax and application fees have been paid, no department has declared the building or structure "unsafe" as defined in Section 102 of the current edition of the California Uniform Building Code, and the business has not had an application denied pursuant to the provisions of this chapter within the past year. A conditional license shall not be valid for a period longer than one hundred eighty (180) days from the date of application. During such period, based upon review by the appropriate departments of the city, the applicant may be rejected for failure to comply with applicable laws and regulations at any time. Within one hundred eighty (180) days, if no departments have rejected the applicant or requested an extension of the time to review same, the director shall issue the license.
- C. The director, at his sole discretion, may issue a notice of nonoperation during the investigation period when a department determines the building or structure unsafe and corrections are required prior to the safe operation and continuation of the business. Following completion and city approval of any city mandated corrections, a conditional license or a business license may be issued.

(Ord. C-7849 § 1, 2003; Ord. C-6259 § 1 (part), 1986).

3.80.429.1 - Suspension or revocation.

- A. Whenever any person fails to comply with any provision of this chapter pertaining to business license taxes or any rule or regulation adopted pursuant thereto or with any other provision or requirement of law, including, but not limited to, this municipal code and any grounds that would warrant the denial of initial issuance of a license hereunder, the director of financial management, upon hearing, after giving such person ten (10) days' notice in writing specifying the time and place of hearing and requiring him or her to show cause why his or her license should not be revoked, may revoke or suspend any one or more licenses held by such person. The notice shall be served in the same manner as notices of assessment are served under Section 3.80.444. The director shall not issue a new license after the revocation of a license unless he or she is satisfied that the registrant will thereafter comply with the business license tax provisions of this chapter and the rules and regulations adopted thereunder, and until the director collects a fee, the amount of which shall be determined by director in an amount to recover the actual costs of processing, in addition to any other taxes that may be required under the provisions of this chapter.
- B. Any person who engages in any business after the business license issued therefor has been suspended or revoked, and before such suspended license has been reinstated or a new license issued, shall be guilty of a misdemeanor.

Re: Business License Application: BU21426600

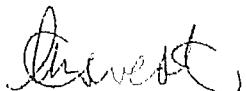

Dear Mr. MacDonald:

Pursuant to our telephone conversation today, this will serve as notice that we will be filing an appeal of the denial of the business license on behalf of our client, Alsace Lorraine Fine Pastries, Inc. Pursuant to your letter dated September 2, 2014, the denial is based on the property owner's alleged violation of Long Beach Municipal Code section 3.80.421.1(A), section 3.80.421.5, and section 3.80.429.1. However, our client asserts that the business license should not be denied based on a contingency of the conduct of a third party, here, the conduct of the property owner and the allegations that the property owner has not complied with the Long Beach Municipal Code.

Enclosed with this letter is a filing fee in the amount of \$1,245. Also, please provide our office with information on obtaining a conditional license while the appeal is pending. Thank you in advance for your prompt attention to this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

JURISDICTION

7. This court has jurisdiction pursuant to California Constitution, Article VI, §10; Civil Code sections 51.7 and 52.1; and Ca. Code of Civ. Proc. § 1085.

8. Venue is proper in this Court because one or more of the Defendants either reside in or maintain executive offices in this county and a substantial portion of the transactions and wrongs complained of herein took place in this county.

ALLEGATIONS

9. ALSACE LORRAINE was established in 1947 by a German immigrant and his wife. After expanding and running the business for years, they retired and sold it to another family, who also ran the store for years and then sold it to a third family. ALSACE LORRAINE prides itself in keeping with the long tradition of delivering outstanding and delightful pastries and cakes to the community of Long Beach.

10. On or about July 1, 2014, ALSACE LORRAINE applied for a business license with Defendant LONG BEACH to operate a food processing business at the location 4334 Atlantic Ave., Long Beach, California, 90807. ALSACE LORRAINE's nature of business remains the same as it has been since 1947, namely, baking and selling fine pastries and cakes. ALSACE LORRAINE's business application was assigned application number BU21426600.

11. On or about September 2, 2014, Defendant LONG BEACH, by and through Defendants JOHN GROSS and JASON MACDONALD, its Business Services Manager, rejected ALSACE LORRAINE's business license application. In a letter dated September 2, 2014, Defendant JASON MACDONALD stated that ALSACE LORRAINE's application cannot be approved due to failure of the property owner to comply with applicable laws and regulations, pursuant to Long Beach Municipal Code (hereinafter "LBMC") section 3.80.421.1(A), section 3.80.421.5, and section 3.80.429.1. A true and correct copy of the letter is attached hereto as "Exhibit I" and incorporated herein.

12. Defendant JOHN GROSS is the Director of Financial Management for Defendant LONG BEACH. ALSACE LORRAINE's business license application was denied

1 by Defendant JOHN GROSS in his capacity as the Director of Financial Management, who has
2 the authority to deny, and did wrongfully and in bad faith, deny ALSACE LORRAINE's
3 application.

4 13. The letter dated September 2, 2014 also stated that should ALSACE LORRAINE
5 wish to appeal the denial of its business license application to the Long Beach City Council, it
6 may do so by filing a notice of appeal with the Director of Financial Management within ten
7 days from the date of the letter's mailing. The notice of the appeal shall state the reason for the
8 denial and the grounds of such appeal. It should be sent to Defendant JASON MACDONALD
9 along with a nonrefundable filing fee of \$1,245.00.

10 14. On September 9, 2015, pursuant to a telephone conversation between Tin
11 Westen, Esq. of the Rallo Law Firm, P.C., attorney for ALSACE LORRAINE, and Defendant
12 JASON MACDONALD, Defendant JASON MACDONALD stated that the procedure for
13 appealing the denial of the business license is to submit a letter along with the filing fee for the
14 appeal.

15 15. Thereafter, on September 9, 2015, ALSACE LORRAINE submitted a letter as
16 notice that it is appealing the denial of its business license application. The letter stated that the
17 business license should not be denied based on a contingency of the conduct of a third party,
18 here, the conduct of the property owner and the allegations that the property owner has not
19 complied with the LBMC. Finally, the letter included \$1,245 as the nonrefundable filing fee for
20 the notice of appeal. A true and correct copy of the letter is attached hereto as "Exhibit 2" and
21 incorporated herein.

22 16. Defendant JASON MACDONALD, contrary to his telephone conversation with
23 ALSACE LORRAINE's attorney on September 9, 2014, stated in a letter dated October 6, 2014
24 that ALSACE LORRAINE's request to appeal the denial of its business license application is
25 denied because the appeal is not within the guidelines of LBMC 3.80.421.6. Defendant JASON
26 MACDONALD summarily returned Plaintiff's \$1,245.00 "nonrefundable" filing fee for the
27
28

1 notice of appeal. A true and correct copy of the letter is attached hereto as "Exhibit J" and
2 incorporated herein.

3 17. On or about October 13, 2014, pursuant to a telephone conversation between Tim
4 Westen, Esq. of the Rallo Law Firm, P.C., attorney for ALSACE LORRAINE, and Defendant
5 JASON MACDONALD, ALSACE LORRAINE was informed that its appeal was denied due to
6 failure to state a basis for appeal. However, the basis for the appeal was clearly stated in the
7 September 9, 2014 letter (See Exhibit 2) as "the business license should not be denied based on
8 a contingency of the conduct of a third party, here, the conduct of the property owner and the
9 allegations that the property owner has not complied with the Long Beach Municipal Code."

10 18. On or about October 17, 2014, in a voicemail message to the Rallo Law Firm,
11 P.C., Defendant JASON MACDONALD arbitrarily and capriciously stated that ALSACE
12 LORRAINE did not file an appeal, and as such, the denial of the appeal is final. This allegation
13 is false and contrary to ALSACE LORRAINE's September 9, 2014 letter providing notice that
14 such letter is an appeal of the denial of ALSACE LORRAINE's business license application. A
15 true and correct copy of a letter reflecting Defendant JASON MACDONALD's voicemail
16 message and communications with the Rallo Law Firm, P.C. is attached hereto as "Exhibit 4"
17 and incorporated herein.

18 19. Defendant JASON MACDONALD communicated the appeal procedure and
19 such was followed by ALSACE LORRAINE. Notwithstanding that fact, at no time did
20 Defendant LONG BEACH inform ALSACE LORRAINE that its appeal was not proper or that
21 ALSACE LORRAINE has not complied with the appeal procedure in order for it to fix any
22 issues with the appeal. Defendant LONG BEACH simply outright denied ALSACE
23 LORRAINE's appeal, and it was only after the denial, which was final, that Defendant LONG
24 BEACH stated that the appeal was improper.

25 20. On or about January 28, 2015, pursuant to Government Code section 910,
26 ALSACE LORRAINE filed a claim for damages against City of Long Beach. A true and
27 correct copy of the claim for damages is attached hereto as "Exhibit 5" and incorporated herein.
28

1 21. On or about March 25, 2015, Defendant LONG BEACH's Office of the City
2 Attorney rejected ALSACE LORRAINE's claim for damages. Defendant LONG BEACH
3 summarily states in the rejection letter that they have determined that the business license for
4 ALSACE LORRAINE was rightfully denied. No reasoning or basis was given. A true and
5 correct copy of the letter is attached hereto as "Exhibit 6" and incorporated herein.
6

SUMMARY OF THE ACTION

7 22. ALSACE LORRAINE seeks relief on the grounds that Defendants JASON
8 MACDONALD and JOHN GROSS abused their discretion in the decision to revoke the
9 business license application of ALSACE LORRAINE without justification and in bad faith.

10 23. ALSACE LORRAINE seeks relief on grounds that Defendant LONG BEACH,
11 through Defendants JASON MACDONALD and JOHN GROSS, violated ALSACE
12 LORRAINE's rights to procedural and substantive due process by arbitrarily and capriciously
13 denying ALSACE LORRAINE's appeal.

14 24. ALSACE LORRAINE also seeks relief on the grounds that Defendant LONG
15 BEACH's denial of ALSACE LORRAINE's business license application, based on the alleged
16 failure of the property owner to comply with applicable laws and regulations, is pretextual and
17 done in bad faith for retaliatory and discriminatory reasons in violation of ALSACE
18 LORRAINE's Due Process under the Fifth and Fourteenth Amendments of the United States
19 Constitution and Article I Section 7(a) of the California Constitution.
20

FIRST CAUSE OF ACTION

21 (Petition for Writ of Mandate: Code of Civil Procedure § 1085 Against All
22 Defendants)

23 25. ALSACE LORRAINE re-alleges and incorporates by reference all of the above
24 paragraphs as though fully set forth herein.

25 26. California Code of Civil Procedure § 1085(a) states that a writ of mandate may
26 be issued by any court to any inferior tribunal, corporation, board, or person, to compel the
27 performance of an act which the law specifically enjoins, as a duty resulting from an office,

1 trust, or station, or to compel the admission of a party to the use and enjoyment of a right or
2 office to which the party is entitled, and from which the party is lawfully precluded by that
3 inferior tribunal, corporation, board, or person.

4 27. On or about July 1, 2014, ALSACE LORRAINE, pursuant to LBMC 3.80.420.1,
5 submitted an application to Defendant LONG BEACH for a business license to operate a
6 bakery.

7 28. On or about September 2, 2014, Defendant LONG BEACH, by and through its
8 employees, Defendants JOHN GROSS and JASON MACDONALD, wrongfully and in bad
9 faith, denied ALSACE LORRAINE's application for a business license. According to
10 Defendants, ALSACE LORRAINE's application cannot be approved at the time due to failure
11 of the property owner to comply with applicable laws and regulations, pursuant to LBMC
12 section 3.80.421.1(A), section 3.80.421.5 and section 3.80.429.1. Defendants did not specify
13 which laws and regulations were not complied with by ALSACE LORRAINE.

14 29. LBMC section 3.80.421.1(A) states that the Director [of Financial Management]
15 shall refer such application to the appropriate departments of the City in order that it may be
16 ascertained whether the business proposed to be conducted or the premises in which it is
17 proposed to locate such business will comply with applicable fire, building safety, zoning,
18 health and other laws and regulations.

19 30. There are no allegations by Defendants that the business proposed to be
20 conducted, i.e. the baking and selling of pastries and cakes, violates applicable fire, building
21 safety, zoning, health and other laws and regulations. Similarly, there are no allegations by
22 Defendants that the premises in which ALSACE LORRAINE is proposed to be located would
23 result in a violation with applicable fire, building safety, zoning, health and other laws and
24 regulation. Rather, Defendants' allegations are that the *property owner's* failure to comply with
25 some applicable laws and regulations is what led to ALSACE LORRAINE being denied its
26 application for a business license to operate its food processing business.
27
28

1 31. Defendants did not cite any LBMC which states that a property owner's failure
2 to comply with applicable laws and regulations is a basis to reject another party's business
3 license application.

4 32. ALSACE LORRAINE is a *distinct and separate entity* from the property owner
5 of its proposed business location at 4334 Atlantic Avenue, Long Beach, California, 90807. Any
6 basis for denial of a business license application by ALSACE LORRAINE that is connected to
7 the alleged non-compliance with LBMC by its landlord is unsupported by the laws and by
8 LBMC.

9 33. Defendants also cite LBMC section 3.80.421.5 in their rejection letter to
10 ALSACE LORRAINE. This section states that in the event that a particular department of the
11 City rejects an application for the reason that such business or the location at which it is
12 proposed to conduct the same will not so comply with applicable laws and ordinances, the
13 Director of Financial Management shall not issue such license.

14 34. As stated, section 3.80.421.5 of the LBMC does not provide a legal basis for
15 Defendants to reject ALSACE LORRAINE'S business license application.

16 35. Lastly, Defendants also cited LBMC section 3.80.429.1 in their rejection letter to
17 ALSACE LORRAINE. This section states that whenever any person fails to comply with any
18 provision of this Chapter pertaining to business license taxes or any rule or regulation adopted
19 pursuant thereto or with any other provision or requirement of law, including, but not limited to,
20 this Municipal Code and any grounds that would warrant the denial of initial issuance of a
21 license hereunder, the Director of Financial Management, upon hearing, after giving such
22 person ten (10) days' notice in writing specifying the time and place of hearing and requiring
23 him or her to show cause why his or her license should not be revoked, may revoke or suspend
24 any one (1) or more licenses held by such person. The notice shall be served in the same
25 manner as notices of assessment are served under Section 3.80.444. The Director shall not issue
26 a new license after the revocation of a license unless he or she is satisfied that the registrant will
27 thereafter comply with the business license tax provision of this Chapter and the rules and
28

1 regulations adopted thereunder, and until the Director collects a fee, the amount of which shall
2 be determined by Director in an amount to recover the actual costs of processing, in addition to
3 any other taxes that may be required under the provisions of this Chapter.

4 36. As stated, section 3.80.429.1 of the LBMC also does not provide a legal basis for
5 Defendants to reject ALSACE LORRAINE's business license application. This section is
6 applicable to the hearing process and the Director of Financial Management's ability to *revoke*
7 or *suspend a license* held by a person after it has been determined there are grounds that would
8 warrant the denial or suspension of a license. There is nothing under this code section to allege
9 what law, rules or regulations ALSACE LORRAINE violated to warrant their business license
10 application being denied. This section is also inapplicable to ALSACE LORRAINE because
11 the issue is not its business license being suspended after a proper hearing and Plaintiff being
12 given an opportunity to show cause why his or her license should not be revoked, the issue is
13 that ALSACE LORRAINE business license application was improperly rejected based on the
14 conduct of a third party.

15 37. ALSACE LORRAINE was never given notice and a hearing for an opportunity
16 to show cause as to why its business license application should not be denied.

17 38. On or about September 9, 2014, ALSACE LORRAINE appealed Defendants'
18 denial of its business license application.

19 39. On or about January 28, 2015, ALSACE LORRAINE filed a Claim for Damages
20 against Defendant City of Long Beach for the denial of Plaintiffs' business application.
21 Defendant City of Long Beach rejected ALSACE LORRAINE's Claim for Damages and
22 summarily declared that the business license application was rightfully denied. Defendants
23 stated to ALSACE LORRAINE that no further action will be taken on this matter. ALSACE
24 LORRAINE therefore has exhausted its administrative remedies.

25 40. ALSACE LORRAINE has no adequate remedy at law for the injuries described
26 above because monetary damages will not adequately compensate it for its inability to exercise
27 its right provided under LBMC. In addition, it is virtually impossible to quantify in monetary
28

terms the damages that ALSACE LORRAINE will suffer if Defendants are not mandated to approve its business license application.

41. ALSACE LORRAINE's only remedy is for this court, pursuant to its power under Code of Civil Procedure § 1085, to issue a writ of mandate to Defendants requiring that ALSACE LORRAINE's business license application be properly and fairly reviewed and approved.

42. As a direct, foreseeable, and proximate result ALSACE LORRAINE has incurred attorney's fees and costs in an amount to be proven at the time of trial.

SECOND CAUSE OF ACTION

(For Declaratory Relief for the Violation of Article I, Section 7(a) of the California
Constitution Prohibiting Deprivation of Plaintiffs' Property without Due Process of Law
Against All Defendants)

43. ALSACE LORRAINE re-alleges and incorporates by reference all of the above paragraphs as though fully set forth herein.

44. ALSACE LORRAINE brings this cause of action pursuant to the Due Process Clause of Article I, Section 7(a) of the California Constitution.

45. Article I, Section 7(a) of the California Constitution states a person may not be deprived of life, liberty, or property without due process of law or denied equal protection of the laws.

46. Defendants deprived ALSACE LORRAINE of property without due process of law by denying its business license application broadly, vaguely, and generally without giving ALSACE LORRAINE a meaningful opportunity to be heard and present evidence to defend itself against Defendants' allegations and judgment.

47. After Defendants denied ALSACE LORRAINE's business license application, Defendant JASON MACDONALD instructed Plaintiff to file an appeal by writing a letter indicating it is filing an appeal, state a basis for the appeal, and submit the letter with the appeal fee. Plaintiff followed these instructions and filed an appeal on September 9, 2014.

48. On or about October 6, 2014, Defendants denied ALSACE LORRAINE's appeal stating that the request to appeal was not within the guidelines of LBMC, even though instructions for the appeal was given by Defendant JASON MACDONALD and accurately followed by ALSACE LORRAINE. Defendants did not provide ALSACE LORRAINE an opportunity to be heard or present evidence as required by Article I, section 7(a) of the California Constitution.

49. On or about January 28, 2015, ALSACE LORRAINE filed a claim for damages against City of Long Beach, as required by the City of Long Beach. On or about March 25, 2015, City of Long Beach, by and through the Office of the City Attorney, Claims Adjuster Cathleen Flores, summarily rejected ALSACE LORRAINE's claim. The only basis for the finding against ALSACE LORRAINE was Defendants' determination that the business license for ALSACE LORRAINE was rightfully denied. Defendants further stated that no further action will be taken on this matter. Again, ALSACE LORRAINE was not given an opportunity to be heard or present evidence as required by due process.

50. As a direct, foreseeable, and proximate result ALSACE LORRAINE has incurred attorney's fees and costs in an amount to be proven at the time of trial.

THIRD CAUSE OF ACTION

(Violation of LONG BEACH's Municipal Code 3.80.421.6 Against All Defendants)

51. ALSACE LORRAINE re-alleges and incorporates by reference all of the above paragraphs as though fully set forth herein.

52. LBMC section 3.80.421.6 states that any applicant for a business license whose application for such license has been denied by the Director of Financial Management may, within ten (10) days after such denial, appeal therefrom to the City Council by filing with the Director a notice of such appeal setting forth the decision and the grounds upon which he deems himself aggrieved thereby. The applicant shall pay to the Director at the time of filing the notice of appeal the fee set by resolution of the City Council for appeals hereunder. The Director shall thereupon make a written report to the City Council reflecting such determination.

1 denying the business license. The City Council at its next regular meeting following the filing
2 of said appeal, or within ten (10) days following the filing thereof, shall set said appeal for
3 hearing to be held not less than ten (10) days nor more than thirty (30) days thereafter and such
4 hearing may for good cause be continued by the order of the City Council. Upon the hearing of
5 the appeal, the City Council may overrule or modify the decision of the Director appealed from
6 and enter any such order or orders as are in harmony with this Title and such disposition of the
7 appeal shall be final.

8 53. On September 2, 2014, Defendants denied ALSACE LORRAINE's business
9 license application.

10 54. On September 9, 2014, ALSACE LORRAINE filed a notice of appeal via a letter
11 addressed to Defendant JASON MACDONALD. In the notice of appeal letter, ALSACE
12 LORRAINE set forth the decision by stating that the denial of its business license is based on
13 the property owner's alleged violation of LBMC section 3.80.421.1(A), section 3.80.421.5, and
14 section 3.80.429.1. In this letter, ALSACE LORRAINE also set forth the grounds upon which
15 it deems itself aggrieved by stating that the business license should not be denied based on a
16 contingency of the conduct of a third party, here, the conduct of the property owner and the
17 allegations that the property owner has not complied with the LBMC. Furthermore, ALSACE
18 LORRAINE attached to the letter a payment of \$1,245.00 as an appeal filing fee.

19 55. ALSACE LORRAINE's notice of appeal, by and through the September 9, 2014
20 letter, meets all requirements set forth by LBMC 3.80.421.6. Furthermore, this notice of appeal
21 is in compliance with verbal instructions given to ALSACE LORRAINE's attorney, Rallo Law
22 Firm, P.C., by Defendant JASON MACDONALD.

23 56. On or about October 6, 2014, Defendants violated LBMC 3.80.421.6 by failing
24 to make a written report to the City Council and set the appeal for a hearing by the Council.
25 Instead, Defendant JASON MACDONALD, by and through a telephone conversation on or
26 about October 6, 2014, stated that ALSACE LORRAINE's appeal was denied due to failure to
27 state a basis for appeal.

1 57. Defendant JASON MACDONALD's unfounded, unsupported, and unilateral
2 determination that ALSACE LORRAINE's notice of appeal did not meet the requirements of
3 LBMC 3.80.421.6 is unsupported by LBMC and contrary to the evidence.

4 58. On or about October 17, 2014, Defendant JASON MACDONALD, by and
5 through telephone messages to ALSACE LORRAINE's attorney, Rallo Law Firm, P.C., once
6 again stated that ALSACE LORRAINE's appeal was denied, however, the allegation this time
7 is due to ALSACE LORRAINE not filing an appeal at all. Defendant JASON
8 MACDONALD's unfounded, unsupported, and unilateral determination did not meet the
9 requirements of LBMC 3.80.421.6 and is contrary to the evidence.

10 59. Defendants' violation of LBMC 3.80.421.6 is a direct, foreseeable, and
11 proximate result of ALSACE LORRAINE's injuries and damages, including but not limited to
12 loss of property and other economic losses, the amount of which is to be determined at the time
13 of trial.

14 WHEREFORE, Plaintiff prays for the following relief:

15 1. An Order of this court mandating that the Defendant City of Long Beach
16 approve ALSACE LORRAINE's business license application;

17 2. Award of costs, including attorney fees pursuant to Code of Civil Procedure
18 section 1021.5;

19 3. Compensatory damages and all consequential damages in the amount of two
20 million dollars (\$2,000,000.00), together with interest; and

21 4. Any alternative and additional relief as the court deems proper.

During such period, based upon review by the appropriate departments of the city, the applicant may be rejected for failure to comply with applicable laws and regulations at any time. Within one hundred eighty (180) days, if no departments have rejected the applicant or requested an extension of the time to review same, the director shall issue the license.

Re: Business License Application: BU21426600

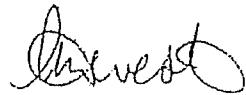

Dear Mr. MacDonald:

Pursuant to our telephone conversation today, this will serve as notice that we will be filing an appeal of the denial of the business license on behalf of our client, Alsace Lorraine Fine Pastries, Inc. Pursuant to your letter dated September 2, 2014, the denial is based on the property owner's alleged violation of Long Beach Municipal Code section 3.80.421.1(A), section 3.80.421.5, and section 3.80.429.1. However, our client asserts that the business license should not be denied based on a contingency of the conduct of a third party, here, the conduct of the property owner and the allegations that the property owner has not complied with the Long Beach Municipal Code.

Enclosed with this letter is a filing fee in the amount of \$1,245. Also, please provide our office with information on obtaining a conditional license while the appeal is pending. Thank you in advance for your prompt attention to this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

3.80.421.1 - Application—Investigation.

A. The director shall refer such application to the appropriate departments of the city in order that it may be ascertained whether the business proposed to be conducted or the premises in which it is proposed to locate such business will comply with applicable fire, building safety, zoning, health and other laws and regulations.

B. The director may issue a conditional license under this chapter for the applicant to conduct business during the investigation period if: all necessary applications have been completed by the applicant, the business tax and application fees have been paid, no department has declared the building or structure "unsafe" as defined in Section 102 of the current edition of the California Uniform Building Code, and the business has not had an application denied pursuant to the provisions of this chapter within the past year. A conditional license shall not be valid for a period longer than one hundred eighty (180) days from the date of application. During such period, based upon review by the appropriate departments of the city, the applicant may be rejected for failure to comply with applicable laws and regulations at any time. Within one hundred eighty (180) days, if no departments have rejected the applicant or requested an extension of the time to review same, the director shall issue the license.

C. The director, at his sole discretion, may issue a notice of nonoperation during the investigation period when a department determines the building or structure unsafe and corrections are required prior to the safe operation and continuation of the business. Following completion and city approval of any city mandated corrections, a conditional license or a business license may be issued.

(Ord. C-7849 § 1, 2003; Ord. C-6259 § 1 (part), 1986).

3.80.421.5 - Application—Rejection.

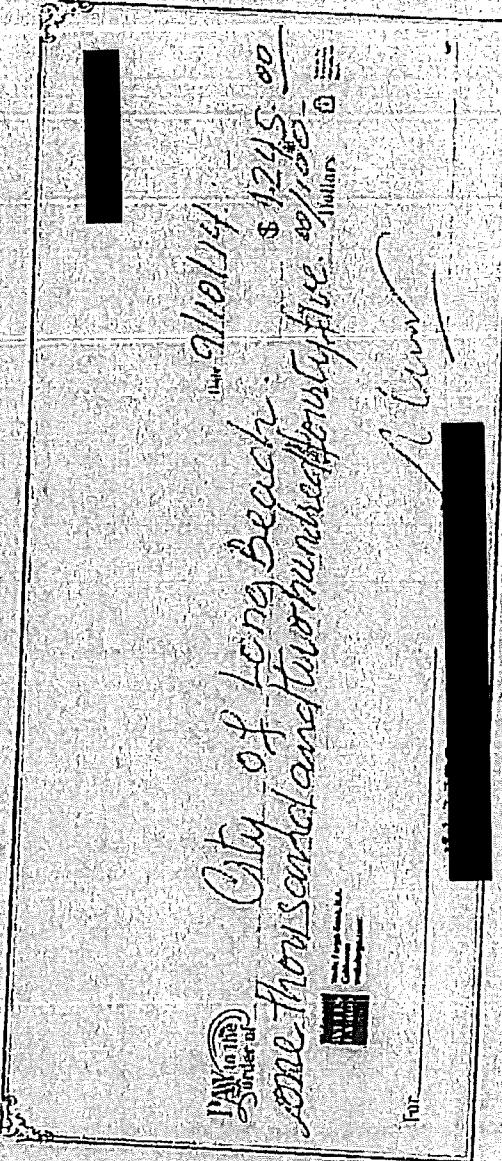

In the event that a particular department of the city rejects an application for the reason that such business or the location at which it is proposed to conduct the same will not so comply with applicable laws and ordinances, the director of financial management shall not issue such license.

(Ord. C-6259 § 1 (part), 1986).

3.80.421.6 - Appeals.

Any applicant for a business license whose application for such license has been denied by the director of financial management may, within ten (10) days after such denial, appeal therefrom to the city council by filing with the director a notice of such appeal setting forth the decision and the grounds upon which he deems himself aggrieved thereby. The applicant shall pay to the director at the time of filing the notice of appeal the fee set by resolution of the city council for appeals hereunder. The director shall thereupon make a written report to the city council reflecting such determination denying the business license. The city council at its next regular meeting following the filing of said appeal, or within ten (10) days following the filing thereof, shall set said appeal for hearing to be held not less than ten (10) days nor more than thirty (30) days thereafter and such hearing may for good cause be continued by the order of the city council. Upon the hearing of the appeal the city council may overrule or modify the decision of the director appealed from and enter any such order or orders as are in harmony with this title and such disposition of the appeal shall be final.

Re: Business License Application: BU21426600

Dear Mr. MacDonald:

Our office has received two voice messages from you indicating that our client, Alsace Lorraine Fine Pastries, Inc.'s appeal for denial of a business license has been rejected due to not listing a basis for the appeal in our letter to you dated September 9, 2014. However, said letter *did* contain a basis for the appeal. Thereafter, in another voice message, you indicated that our client did not file an appeal and as such, the denial of the appeal is final.

In Ms. Westen's telephone conversation with you on September 9, 2014, you indicated that in order to file an appeal, our client needed to write a letter indicating we are filing an appeal, and submit the letter with the fee for appeal. Since then, our client, nor our office, has received notice or any communication from the City of Long Beach advising that the letter is not an adequate appeal.

The denial of our client's business license, and subsequent appeal, is in bad faith, retaliatory, and discriminatory. If this situation is not resolved by October 24, 2014, we will be filing a complaint against the City of Long Beach and will name as defendants any individuals, including yourself, involved in the denial of our client's business license and appeal.

Thank you in advance for your prompt attention to this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

ATTENTION LICENSE APPLICANT

Business License Required (L.B.M.C. 3.80.210)

Under the Long Beach Municipal Code (Section 3.80.210), any person operating a business in the City of Long Beach is required to obtain a business license and pay an annual business license tax, prior to the operation of that business.

Term of License (L.B.M.C. 3.80.520)

A business license is valid for one (1) year from the date of issuance (unless otherwise noted) and must be renewed each year. A renewal notice is sent to the licensee ten (10) days prior to the due date, and the licensee has thirty (30) days to pay without penalty. If a notice is not received by the licensee, he/she is still responsible for payment by the due date. If the licensee changes his/her mailing address during the year, he/she should contact the Business License Section to report the change.

Penalties (L.B.M.C. 3.80.422)

A penalty equivalent to twenty-five percent (25%) of the payment due applies to all delinquent licenses unpaid after thirty (30) days from the due date. An additional ten percent (10%) penalty is added on the first day of the calendar month following the imposition of the twenty-five percent (25%) penalty if the tax remains unpaid, up to a maximum of one hundred percent (100%) of the tax due. The postmark will govern the determination of whether or not a tax payment is delinquent. A delinquent tax will be deemed a debt to the City, and the licensee shall be liable for legal action if it remains unpaid.

Multiple Businesses at one Location (L.B.M.C 3.80.420.6)

When more than one business activity is engaged in at the same location, and the activity falls into a classification other than that of the original license, the licensee is required to obtain an additional license for each different business activity. If the licensee has more than one business license at the same location, he/she may choose to pay for all employees on one license. If so, the licensee will pay for the employees on the license with the higher employee rate.

Definition of an Employee (L.B.M.C. 3.80.150)

For the purpose of Business License taxation in the City of Long Beach, an employee is defined as: Every person engaged in the operation or conduct of any business in Long Beach, whether as owner, member of the owner's family, partner, associate, agent, manager or solicitor, and every person employed or working in such business, whether full-time, part-time, permanent or temporary, for a wage, salary, commission or room and board. The owner of a sole proprietorship shall not be deemed to be an "employee" of the business.

Change of Location (L.B.M.C. 3.80.424)

Every person possessing a City of Long Beach Business License who changes the location of his place of business shall, prior to engaging in such a business at the new location, have the City endorse the new location on the license.

Display of License (L.B.M.C. 3.80.425.5)

Every person having a license shall prominently display the license at the place of business. If the business is operated from a vehicle, an identifying decal issued by the City shall be affixed to the vehicle, and the business license shall be carried by the licensee.

Refunds Prior to Start of Business (L.B.M.C. 3.80.427.5.F)

Any application for refund must be made by the person entitled to the money within one year after payment of the money to the City. No refund shall be made of any moneys paid for the issuance or renewal of any license unless it is determined that such licensee has not engaged in, nor held himself out as being engaged in, such business or occupation at any time after the effective date of the license. The amount of the refund shall be the full amount of the license tax paid, less an amount determined by the Director of Financial Management, which shall cover the cost of investigation and issuance of the license.

Sales or Use Tax

Sales or Use Tax may apply to your business activity. You may seek advice regarding the application of the tax to your business by writing or calling the State Board of Equalization at:

Inspections (The business license application must be available on site at time of inspection).

When a business license inspection is scheduled, the business must be fully prepared to operate, and the business owner or operator must be on site for the entire scheduled time of inspection. If the business owner or operator is unprepared for or misses a scheduled business license inspection without giving a minimum of 24 hours notice to the appropriate City agency, a re-inspection fee will be assessed.

Accompanying this report is a copy of the exhibits introduced by the City at the hearing. They are numbered 1-11 and lettered A-G

The authority to conduct this hearing is found in §§3.80.429.1 and 3.80.429.5 which provide basically as follows:

- The belief that a licensee has failed to comply with applicable ordinances or statutes empowers the Director to notice a hearing at which the licensee may show cause why the license should not be revoked.
- Following such a hearing and receipt of the hearing officer's report, the Director may revoke or suspend the license.
- In the event the license is revoked by the Director, the licensee has the right to file a written appeal to the Long Beach City Council.

2. IDENTIFICATION OF PARTIES AND COUNSEL

The City was represented by the Long Beach City Attorney, through Kendra L. Carney, Deputy City Attorney.

The Licensee did not appear, either in person or through counsel.

3. HEARING LOCATION AND DATE

Pursuant to written notice (Exhibit 1), the matter was heard at Long Beach City Hall, 333 West Ocean Boulevard, Seventh Floor Large Conference Room, on April 11, 2012, commencing at 9:00 a.m.

Inasmuch as the Licensee failed to appear at the hearing, the matter was deemed closed following the City's introduction of evidence, at approximately 9:40 a.m.

4. STATEMENT OF THE ISSUE BEFORE THE HEARING OFFICER

The issue in this matter is as follows: Is the Licensee operating his commercial rental business at the Premises outside the scope of the authorized business activities identified in his business license?

5. SUMMARY OF RELEVANT EVIDENCE INTRODUCED BY THE CITY

Ray Gehring, a license inspector employed by the City, testified on the City's behalf.

The City also introduced Exhibits 1-11 and A-C.

The evidence, based on the testimony of Mr. Gehring and the content of the exhibits, is as follows:

- A. The Licensee is the owner of the Premises, according to the records of the Los Angeles County Assessor (Exhibit 3).
- B. The License holds a business license by which he is authorized to operate a commercial/industrial space rental business at the Premises (Exhibit 2).
- C. March 1, 2011: A narcotics investigation was conducted at the Premises during which it was determined that a medical marijuana dispensary known as NatureCann was being operated there in violation of the Long Beach Municipal Code (Exhibit 6).
- D. July 21, 2011: A narcotics investigation was conducted at the Premises during which it was determined that a medical marijuana dispensary known as NatureCann was being operated there in violation of the Long Beach Municipal Code (Exhibit 7).
- E. March 8, 2012: The City, through the City Attorney, served on the Licensee, by certified mail, return receipt requested and by first class mail, an Administrative Citation Warning Notice that a medical marijuana collective was being operated on the Premises in violation of the Long Beach Municipal Code (Exhibit 5). The letter advises the Licensee that if the medical marijuana collective does not cease its operations at the Premises, an administrative citation will be issued against the Licensee.
- F. March 21, 2012: A business license compliance inspection was conducted at the Premises. The inspection revealed that an armed security guard company was being operated at the Premises. The company has no license issued by the City. A citation was issued to the employee of the company at the Premises (Exhibit 8).
- G. March 22, 2012: A business license compliance inspection was conducted at the Premises during which it was determined that a medical marijuana dispensary known as NatureCann was being operated there in violation of the Long Beach Municipal Code (Exhibit 4).

6. SUMMARY OF RELEVANT EVIDENCE INTRODUCED BY THE LICENSEE

The Licensee failed to appear at the hearing in person or through counsel or other representative and did not introduce any evidence.

However, on the date of the hearing, at 8:55 a.m., 8:56 a.m. and 9:09 a.m., three emails were received from Matthew Pappas, perhaps counsel for the Licensee, complaining as follows: Erik Sund, the City's Business Relations Manager, was not appearing for a deposition; this hearing "is illegal"; Mr. Pappas would not come into the City because he is in danger when inside the city limits.

These communications accompany this report as Exhibits A-C.

7. FINDINGS OF FACT

The findings of fact are as follows:

- A. The Licensee is the owner of the Premises.
- B. The License holds a business license by which he is authorized to operate a commercial/industrial space rental business at the Premises.
- C. On March 1, 2011, a medical marijuana dispensary known as NatureCann was being operated on the Premises in violation of the Long Beach Municipal Code.
- D. On July 21, 2011, a medical marijuana dispensary known as NatureCann was being operated there in violation of the Long Beach Municipal Code.
- E. On March 8, 2012, the City served on the Licensee an Administrative Citation Warning Notice that a medical marijuana collective was being operated on the Premises in violation of the Long Beach Municipal Code.
- F. On March 22, 2012, an armed security guard company was being operated at the Premises. The company has no license issued by the City.
- G. This hearing was conducted pursuant to the written notice served on the Licensee.
- H. Although the Licensee was provided an opportunity to appear at the hearing and the right to receive copies of the City's exhibits, call and examine witnesses, introduce additional exhibits and cross-examine opposing witnesses on any matter relevant to the issues, he failed to do so.

Report and Recommendation of Hearing Officer

8. RECOMMENDED DECISION

The business license issued to the Licensee allows the Licensee to operate a commercial/industrial space rental business at the Premises. By leasing/renting/licensing/permitting an unlicensed medical marijuana dispensary and an unlicensed armed guard service on the Premises, the Licensee is operating outside the scope of the authorized business activities identified in his business license.

Although not a specific requirement for the recommended decision, the Licensee certainly had knowledge of the presence of these unlicensed businesses, certainly by his relationship with them, by observing their presence on the Premises and by receipt of a variety of notices from the City.

In this factual setting, the recommended decision is that the License be revoked.

Respectfully submitted,

THOMAS A. RAMSEY

- A. Whenever any person fails to comply with any provision of this chapter pertaining to business license taxes or any rule or regulation adopted pursuant thereto or with any other provision or requirement of law, including, but not limited to, this municipal code and any grounds that would warrant the denial of initial issuance of a license hereunder, the director of financial management, upon hearing, after giving such person ten (10) days' notice in writing specifying the time and place of hearing and requiring him or her to show cause why his or her license should not be revoked, may revoke or suspend any one or more licenses held by such person. The notice shall be served in the same manner as notices of assessment are served under Section 3.80.444. The director shall not issue a new license after the revocation of a license unless he or she is satisfied that the registrant will thereafter comply with the business license tax provisions of this chapter and the rules and regulations adopted thereunder, and until the director collects a fee, the amount of which shall be determined by director in an amount to recover the actual costs of processing, in addition to any other taxes that may be required under the provisions of this chapter.
- B. Any person who engages in any business after the business license issued therefor has been suspended or revoked, and before such suspended license has been reinstated or a new license issued, shall be guilty of a misdemeanor.

(Ord. C-6259 § 1 (part), 1986).

3.80.429.5 - Appeal of license revocation.

Any licensee whose license is revoked under this chapter shall have the right, within ten (10) days after the date of mailing of the written notice of revocation, to file a written appeal to the city council. Such appeal shall set forth the specific ground or grounds on which it is based. The city council shall hold a hearing on the appeal within thirty (30) days after its receipt by the city, or at a time thereafter agreed upon, and shall cause the appellant to be given at least ten (10) days' written notice of such hearing. At the hearing, the appellant or its authorized representative shall have the right to present evidence and a written or oral argument, or both, in support of its appeal. The determination of the city council on the appeal shall be final.

(Ord. C-6259 § 1 (part), 1986).

Exhibit A11

3.80.421.1 - Application—Investigation.

- A. The Director shall refer such application to the appropriate departments of the City in order that it may be ascertained whether the business proposed to be conducted or the premises in which it is proposed to locate such business will comply with applicable fire, building safety, zoning, health and other laws and regulations.
- B. The Director may issue a conditional license under this Chapter for the applicant to conduct business during the investigation period if: all necessary applications have been completed by the applicant, the business tax and application fees have been paid, no department has declared the building or structure "unsafe" as defined in Section 102 of the current edition of the California Uniform Building Code, and the business has not had an application denied pursuant to the provisions of this Chapter within the past year. A conditional license shall not be valid for a period longer than one hundred eighty (180) days from the date of application. During such period, based upon review by the appropriate departments of the City, the applicant may be rejected for failure to comply with applicable laws and regulations at any time. Within one hundred eighty (180) days, if no departments have rejected the applicant or requested an extension of the time to review same, the Director shall issue the license.
- C. The Director, at his sole discretion, may issue a notice of nonoperation during the investigation period when a department determines the building or structure unsafe and corrections are required prior to the safe operation and continuation of the business. Following completion and City approval of any City mandated corrections, a conditional license or a business license may be issued.

(Ord. C-7849 § 1, 2003: Ord. C-6259 § 1 (part), 1986)

(Ord. C-6259 § 1 (part), 1986)

3.80.421.6 - Appeals.

Any applicant for a business license whose application for such license has been denied by the Director of Financial Management may, within ten (10) days after such denial, appeal therefrom to the City Council by filing with the Director a notice of such appeal setting forth the decision and the grounds upon which he deems himself aggrieved thereby. The applicant shall pay to the Director at the time of filing the notice of appeal the fee set by resolution of the City Council for appeals hereunder. The Director shall thereupon make a written report to the City Council reflecting such determination denying the business license. The City Council at its next regular meeting following the filing of said appeal, or within ten (10) days following the filing thereof, shall set said appeal for hearing to be held not less than ten (10) days nor more than thirty (30) days thereafter and such hearing may for good cause be continued by the order of the City Council. Upon the hearing of the appeal the City Council may overrule or modify the decision of the Director appealed from and enter any such order or orders as are in harmony with this Title and such disposition of the appeal shall be final.

CHAPTER 2.93 - CONDUCT OF HEARINGS

2.93.010 - Applicability.

This Chapter applies to the conduct of all hearings, appeals or investigations held by the City Council, the Planning Commission or the Board of Examiners, Appeals and Condemnation pursuant to this Code or any other applicable law where oral evidence or testimony is received and where personal or property rights are involved. This Chapter does not apply to and is not intended to infringe upon the right of a citizen to petition his government for redress. This Chapter applies to all City personnel who testify or present evidence in a hearing.

(Ord. C-5232 § 1 (part), 1976: prior code § 2780)

2.93.020 - Oath or affirmation.

- A. All oral evidence or testimony shall be taken only on oath or affirmation. The presiding officer, the City Clerk or the Secretary of the respective Board or Commission may administer the oath. In a given case where many witnesses are expected to testify, the presiding officer has the discretion to have all prospective witnesses rise and be sworn at the same time at the outset of the proceedings.
- B. The oath or affirmation may be administered as follows, the person who swears or affirms expressing his assent when addressed in the following form:

You do solemnly swear (or affirm, as the case may be), that the evidence you shall give in this issue (or matter), pending before this body, shall be the truth, the whole truth, and nothing but the truth, so help you God.

(Ord. C-5232 § 1 (part), 1976: prior code § 2780.1)

2.93.030 - Rules of evidence.

The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

(Ord. C-5232 § 1 (part), 1976: prior code § 2780.2)

2.93.040 - Examination of witnesses.

In a contested proceeding each side shall have these rights: to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues; to impeach any witness and to rebut the evidence against him. The presiding officer has the discretionary authority to: limit the number of witnesses to testify for each side where their testimony would be cumulative or repetitive in nature; require each side to appoint one (1) spokesman for purposes of cross-examination; limit or curtail any abusive, argumentative, repetitive, or otherwise irrelevant cross-examination; and in conformance with

other rules in this Code place reasonable time limits on the right to cross-examine and the presenting of evidence.

(Ord. C-5232 § 1 (part), 1976: prior code § 2780.3)

2.93.050 - Hearing procedure—City Council.

- A. Whenever it is provided that a hearing governed by this Chapter shall be heard by the City Council, the Council may, in its discretion, either conduct the hearing itself or appoint a Hearing Officer to conduct the hearing.
- B. If a Hearing Officer conducts a hearing the following procedures shall apply:
 1. Upon selection of a Hearing Officer, the City Clerk shall set the time and place for the hearing. Notice of hearing shall be sent to interested parties at least twenty (20) days before the hearing.
 2. Any party may be represented by counsel; the hearings shall be public and shall be conducted pursuant to the provisions of this Chapter; and the City Clerk shall provide necessary tape recordings as may be reasonably required by the Hearing Officer.
 3. The Hearing Officer shall determine the order of proceedings and shall afford all parties a reasonable opportunity to present any relevant evidence. If a party is absent, the Hearing Officer may proceed with the hearing in that party's absence if due notice was given and no explanation for the absence was given.
 4. Other than at the hearing, there shall be no direct communication between the parties and the Hearing Officer on any matter related to the hearing. All oral or written communication from the parties shall be directed to the City Clerk for transmittal to the Hearing Officer.
 5. The Hearing Officer shall render his decision not later than fifteen (15) days after the hearing is closed and shall immediately file a report with the City Council. At the request of the Hearing Officer, the City Council may extend this reporting period.
 6. The report shall be in writing and shall include findings of fact, a summary of the relevant evidence, a statement of the issues, a resolution of the credibility of witnesses where there is conflicting testimony and a recommended decision. A copy of the report shall be served on all parties.
 7. Upon receipt, the City Council shall set a time for a hearing to review and consider the report. Notice of hearing shall be sent to all interested parties at least ten (10) days before the hearing.
 8. After review of the Hearing Officer's report, the City Council may adopt, reject or modify the recommended decision. In its discretion, the City Council may take additional evidence at the hearing or refer the case to the Hearing Officer with instructions to consider additional evidence.
 9. Notice of the City Council's decision shall be served on all interested parties by the City Clerk and the decision takes effect upon such service. If notice is mailed, service is complete when mailed. Unless otherwise provided, this notice provision shall apply to all hearings including those not conducted by a Hearing Officer.

(Ord. C-6003 § 1, 1983)

2.93.060 - Hearing procedure on contractor's or vendor's nonresponsibility.

- A. The City finds that, in order to promote integrity in its contracting processes and to protect the public interest, it shall be the City's policy to conduct business only with responsible contractors and vendors. Notwithstanding anything to the contrary in this Code, the provisions of this Section shall apply to a determination of the nonresponsibility of a contractor or vendor.

- D. At the hearing, the contractor and/or the contractor's attorney or the vendor and/or the vendor's attorney may submit documentary evidence and present witnesses. The City will submit into the record the evidence previously provided to the contractor or vendor and may present witnesses and offer rebuttal evidence. The Hearing Officer will decide the order of proceeding and any time limits on the presentation of evidence and witnesses. If the contractor or vendor or their attorney does not appear at the hearing, the Hearing Officer may proceed if proper notice to the contractor or vendor was given. Other than at the hearing, there shall not be any direct communication between the contractor or vendor or anyone acting on the contractor's or vendor's behalf and the Hearing Officer. All other communications to the Hearing Officer shall be in writing and shall be submitted to the City Clerk at least one (1) day prior to the date of the hearing, for delivery to the Hearing Officer.
 - E. After the hearing, the Hearing Officer will promptly prepare a decision on the issue of nonresponsibility and deliver it to the contractor or vendor and to the City Attorney. The decision will state the basis for the determination of nonresponsibility or responsibility. The determination shall be based on the fitness and capacity of the contractor or vendor to satisfactorily perform the obligations of the contract, whether or not the contractor or vendor is qualified to perform those obligations, whether or not the contractor or vendor is trustworthy, and such other bases as may be relevant. The Hearing Officer may consider, among other things:

On receipt of such notice, the City Clerk shall set a time for a hearing on the appeal before the City Council and shall send written notice of the time of the appeal hearing to the contractor or vendor at least five (5) days prior to the hearing.

The City Clerk shall set the time for the appeal hearing within fourteen (14) days after the City receives the notice of appeal but no sooner than five (5) days after the date shown on the notice to the contractor or vendor of the time of the appeal hearing. The City Clerk shall simultaneously send a copy of the decision of the Hearing Officer to the City Council.

If the Board of Water Commissioners is the awarding authority, the City Clerk shall immediately forward the notice of appeal to the General Manager of the Water Department who shall set the time for a hearing of the appeal before the Board of Water Commissioners and shall send written notice of the time of the appeal hearing to the contractor or vendor at least five (5) days prior to the hearing. The General Manager shall simultaneously send a copy of the decision of the Hearing Officer to the Board of Water Commissioners.

- G. No new evidence or testimony may be presented by either the City or the contractor or vendor at the appeal hearing. The City Council or the Board of Water Commissioners, in its discretion, may limit the time allotted for an oral presentation by both the City and the contractor or vendor. At the conclusion of the appeal hearing, the City Council or the Board of Water Commissioners shall receive the decision of the Hearing Officer and either adopt the decision of the Hearing Officer or make its own finding on the issue of nonresponsibility for the purposes of the particular contract, and the City Clerk shall send a certified copy of the minute entry to the contractor or vendor with respect to decision of the City Council or the Secretary to the General Manager of the Water Department shall send a certified copy of the order of the Board to the contractor or vendor. Service of the minute entry or order shall be deemed made when it is deposited in the mail.
- H. The decision by the City Council or the Board of Water Commissioners on appeal to find a contractor or vendor nonresponsible for a particular contract is solely within the discretion of the body acting on behalf of the City.

(Ord. C-7805 § 1, 2002)

- A. Notwithstanding anything to the contrary in this Code, the provisions of this Section shall apply to the debarment of a contractor or vendor.
- B. - E. At the hearing, the contractor and/or the contractor's attorney or the vendor and/or the vendor's Attorney may submit documentary evidence and present witnesses. The City will submit into the record the evidence previously provided to the contractor or vendor and may present witnesses and offer rebuttal evidence. A recording of the hearing may be made at the option of the City or the contractor

or vendor. The Hearing Officer will decide the order of proceeding and any time limits on the presentation of evidence and witnesses. If the contractor or vendor or their Attorney does not appear at the hearing, the Hearing Officer may proceed if proper notice to the contractor or vendor was given. Other than at the hearing, there shall not be any direct communication between the contractor or vendor or anyone acting on the contractor's or vendor's behalf and the Hearing Officer. All other communications to the Hearing Officer shall be in writing and shall be submitted to the City Clerk at least one (1) day prior to the date of the hearing, for delivery to the Hearing Officer.

 - (10) The contractor's or vendor's history of claims, litigation, and termination or disqualification on public projects; and

- G. The City Clerk shall mail a copy of the decision to the contractor or vendor. The contractor or vendor shall have five (5) days to file a notice of appeal with the City Clerk. On receipt of such notice, the City Clerk shall set a time for a hearing on the appeal before the City Council and shall send written notice of the time of the appeal hearing to the contractor or vendor at least five (5) days prior to the hearing. The City Clerk shall set the time for the appeal hearing within fourteen (14) days after the City receives the notice of appeal but no sooner than five (5) days after the date shown on the notice to contractor or vendor of the time of the appeal hearing. (Ord. C-7805 § 2, 2002)

Exhibit B

3.80.210 - License and tax payment required.

There are hereby imposed upon the businesses, trades, professions, callings and occupations specified in this Chapter license taxes in the amounts hereinafter prescribed. It shall be unlawful for any person to transact and carry on any business, trade, profession, calling or occupation in the City without first having procured a license from said City to do so and paying the tax hereinafter prescribed and without complying with any and all applicable provisions of this Code, and every person conducting any such business in the City shall be required to obtain a business license hereunder.

This Section shall not be construed to require any person to obtain a license prior to doing business within the City if such requirement conflicts with applicable statutes of the United States or of the State of California.

Any person who engages in any business for which a business license is required, shall be liable for the amount of all taxes and penalties applicable from the date of commencement of the business, whether or not such person would have qualified for such business license; however, such payment shall not create any right for the person to remain in business.

All payments of business license tax received by the City, irrespective of any designation to the contrary by the taxpayer, shall be credited and applied first to any penalties and tax due for prior years in which the tax was due but unpaid.

(Ord. C-7783 § 2, 2002; Ord. C-6259 § 1 (part), 1986)
